

CTE License Decision Chart

I Have:	I Want:	I need to:
No license	To teach in a State Approved Career and Technical Education Program	complete the combined application for CTE-I licensure Licensure Forms\Licensure Combined Application.pdf
A Basic, Initial, Preliminary, Professional, Standard, CTE-II, three year CTE license, or five year CTE/PTE, or Continuing License with no CTE endorsements or no CTE endorsement in the desired area	To teach in a State Approved Career and Technical Education Program	complete the combined application for adding a CTE endorsement Licensure Forms\Licensure Combined Application.pdf
A CTE-I License	A CTE-II license	Renew annually until all requirements of my Professional Development Plan outlined in my CTE-I license are complete. Within 3 years of my first CTE-I License I will complete and submit all licensure requirements of the CTE-II license directly to TSPC. http://www.ode.state.or.us/wma/teachlearn/cte/cte-ii-application(revised).doc
<p style="text-align: center;">* if you do not have a minimum of 1800 hours of business and industry experience, you must participate in an Instructor Appraisal Committee process. Contact your local CTE Regional Coordinator</p>		

If you have a valid CTE Teaching License from another state, or have questions that your CTE regional Coordinator cannot answer, email <mailto:CTE.TeacherLicensure@ode.state.or.us>
