Revised Instructor Appraisal Committee Recommendations

The committee must make recommendations regarding the applicant's Professional Development Plan (PDP) and any waiver of the education or work experience requirements, if necessary. The completed plan with facilitator and district administrator signature must be attached to materials sent to TSPC.

Education

- Indicate what educational requirements the applicant must complete in the remaining time of the three-year professional development plan. Requirements must be designated by year. *(See required areas in OAR 584-042-0051 CTE Professional Development Plan.)*

Work Experience/ Related Knowledge & Skills

- Indicate new work experience requirements the applicant must complete in the remaining time of three-year professional development plan. Requirements must be designated by year. *(See requirements in OAR 584-042-0070 Work Experience.)*
