

# State Performance Plan (SPP) 2020-25 Public Input Sessions

## Why is ODE seeking this public input?

The State Performance Plan (SPP) represents the Oregon Department of Education's (ODE) plan for improving equity, inclusion, and results for children experiencing disability who are served by individualized education programs (IEPs) and individualized family service plans (IFSPs) in Oregon. ODE will focus its work on activities related to the indicators in the SPP to improve outcomes for children experiencing disabilities. During the 2021-22 school year, ODE is writing the six-year plan for Oregon's learners served by IEPs/IFSPs, but it's everybody's plan, and we're looking for input from **YOU**.

Are you interested in just one part of special education? All of it? Check out the dates for our input sessions and register to attend by clicking the link.
