Discussion

- Direction for Commission in future round of work
 1. Vision statement for the Commission: Do we need to revisit it?
 2. Where is Oregon's education system today in relation to that vision?
 3. Given where we are today and the revenue environment, what practices are needed to get Oregon to the Commission's vision of a quality education?
 4. What are the costs of making the needed change in practices?
 5. Given scarce resources, what is the best path of resource use (i.e., what needs to be done and when—an exercise in setting priorities)
