

ELEVATING VOICES IN EDUCATION
EVE Workforce Survey

SAVE THE DATE

FEBRUARY 2, 2027

Licensed and non-licensed staff are the bedrock of our state's public K-12 educational system. It is critical to elevate and understand the experiences of Oregon's educators to better support their needs.

The annual and anonymous survey includes questions on topics such as workplace climate, professional learning, well-being, students and families, equity, and job satisfaction.

WHO CAN PARTICIPATE?

You can participate if you are employed by a **K-12 public school district, ESD, charter school, YCEP/JDEP, Oregon School for the Deaf, or long-term care or treatment facility** who is:

- A full-time licensed or non-licensed employee
- A part-time licensed or non-licensed employee
- An employee who is under contract

WHY PARTICIPATE?

Oregon Department of Education and the Legislature need to hear your voice to make meaningful change. Your experience informs workforce decisions.

WHAT IS REQUIRED?

ORS 342.676 requires all K-12 Public Education Providers to encourage participation and provide all employees with an opportunity to take the survey.

HOW TO PARTICIPATE?

All K-12 Public Education Providers will distribute the survey link via email to all full-time or part-time, licensed and non-licensed employees on February 2, 2027.
