(1) A written request for hearing will be deemed sufficient unless the party receiving the request notifies the administrative law judge and the other party in writing, within 15 days of receipt of the hearing request, that the receiving party believes the notice does not meet the requirements of OAR 581-015-2345.

Resolution Process

(1) Resolution meeting:

(a) Within 15 days of receiving a parent's due process hearing request, the school district must hold a resolution meeting with the parents and the relevant member or members of the IEP team who have specific knowledge of the facts identified in the complaint.

(b) The meeting:

(A) Must include a representative of the school district who has decision-making authority on behalf of the school district; and

(B) May not include an attorney for the school district unless the parent is accompanied by an attorney.

(c) The purpose of the meeting is for the parent of the child to discuss the hearing request, and the facts that form the basis of that request, so that the school district has the opportunity to resolve the dispute that is the basis for the due process hearing request.

(d) This resolution meeting need not be held if:

(A) The parent and school district agree in writing to waive the meeting; or

(B) The parent and school district agree to use the mediation process.

(e) The parent and the school district determine the relevant members of the IEP team to attend the meeting.

(2) Resolution period:

(a) If the school district has not resolved the dispute to the satisfaction of the parents within 30 days of the receipt of the due process hearing request, the due process hearing may occur.

(b) The 45 day hearing timeline begins at the end of the 30 day resolution period except as provided in subsection (2)(c).

(c) The 45 day hearing timeline begins the next business day after any of the following circumstances.

(A) The parties agree in writing to waive the resolution session.

(B) After the mediation or resolution meeting starts but before the end of the 30 day resolution period, the parties agree in writing that no agreement is possible.

(C) Both parties agree in writing to continue the mediation at the end of the 30 day resolution period, but later, the parent or school district withdraws from the mediation process.

(d) The failure of a parent requesting a due process hearing to participate in the resolution meeting will delay the timelines for the resolution process and due process hearing until the meeting is held, unless:

(A) The parties have agreed to waive the resolution session; or

(B) The parties have agreed to use mediation instead of the resolution meeting.

(e) If the school district is unable to obtain the participation of the parent in the resolution meeting after reasonable efforts have been made and documented (as in OAR 581-015-2195), the school district may, at the conclusion of the 30 day resolution period, request that a hearing officer or administrative law judge dismiss the parent's due process hearing request.

(f) If the school district fails to hold the resolution meeting within 15 days of receiving the parent's due process hearing request or fails to participate in the resolution meeting, the parent may seek the intervention of a hearing officer or administrative law judge to begin the 45 day hearing timeline.

(3) Resolution agreement:

(a) If a resolution to the dispute is reached at the resolution meeting, the parties must execute a legally binding written agreement that is:

(A) Signed by both the parent and a representative of the school district who has the authority to bind the district; and

(B) Enforceable in any state court of competent jurisdiction or in a district court of the United States.

Late Filing and Amendment of Documents

- (1) Unless otherwise provided by law, when a party or agency fails to file any document for the contested case proceeding, except a hearing request, within the time specified by agency rules or these rules of procedure, the late filing may be accepted if the agency or administrative law judge determines that there was good cause for failure to file the document within the required time.
- (2) The decision whether a late filing will be accepted shall be made:
 - (a) By the agency if OAR 137-003-0520 requires the document to be filed with the agency, or
 - (b) By the administrative law judge if OAR 137-003-0520 requires the document to be filed with the Office of Administrative Hearings or the assigned administrative law judge.
- (3) The agency or administrative law judge may require a statement explaining the reasons for the late filing.
- (4) Notwithstanding any other provision of these rules, at any time after the issuance of the notice required by ORS 183.415, an agency may issue an amended notice. If an agency issues an amended notice, any party may obtain, upon request, a continuance determined to be reasonably necessary to enable the party to file an amended response, if required by agency rules, or to respond to any new material contained in the amended notice. If the agency files an amended notice after the evidentiary record has been closed, the agency shall inform the administrative law judge, who will reopen the record and conduct any further hearing or listen to additional argument required by new matters in the amended notice. If the administrative law judge has issued a proposed order, the administrative law judge shall prepare an amended proposed order after completion of any further hearing.
- (5) Unless otherwise provided by law, when a party or agency files any document for the contested case proceeding, the agency or the administrative law judge may permit the party or agency to file an amended document if the agency or administrative law judge determines that permitting the amendment will not unduly delay the proceeding or unfairly prejudice the parties or the agency.
- (6) The decision whether an amended document will be accepted shall be made:
 - (a) By the agency if OAR 137-003-0520(2) requires the document to be filed with the agency, or
 - (b) By the administrative law judge if OAR 137-003-0520(2) requires the document to be filed with the Office of Administrative Hearings or the assigned administrative law judge.
- (7) The agency or administrative law judge may require a statement explaining the reasons for the amendment.

Participation as Party or Limited Party

- (1) The agency may by rule or in writing identify persons or entities who shall be parties or limited parties.
- (2) Persons who have an interest in the outcome of the agency's contested case proceeding or who represent a public interest in such result may request to participate as parties or limited parties. Unless otherwise provided by law, a person requesting to participate as a party or limited party shall file a petition with the agency and shall include a sufficient number of copies of the petition for service on all parties.
- (3) The petition shall be filed at least 21 calendar days before the date set for the hearing, unless the agency by rule has set a different deadline or unless the agency and the parties agree to a different deadline. Petitions untimely filed shall not be considered unless the agency determines that good cause has been shown for failure to file within the required time.
- (4) The petition shall include the following:
 - (a) Names and addresses of the petitioner and of any organization the petitioner represents;
 - (b) Name and address of the petitioner's attorney, if any;
 - (c) A statement of whether the request is for participation as a party or a limited party, and, if as a limited party, the precise area or areas in which participation is sought;
 - (d) If the petitioner seeks to protect a personal interest in the outcome of the agency's proceeding, a detailed statement of the petitioner's interest, economic or otherwise, and how such interest may be affected by the results of the proceeding;
 - (e) If the petitioner seeks to represent a public interest in the results of the proceeding, a detailed statement of such public interest, the manner in which such public interest will be affected by the results of the proceeding, and the petitioner's qualifications to represent such public interest;
 - (f) A statement of the reasons why existing parties to the proceeding cannot adequately represent the interest identified in subsection (4)(d) or (e) of this rule.
- (5) The agency shall serve a copy of the petition on each party personally or by mail. Each party shall have seven calendar days from the date of personal service or agency mailing to file a response to the petition.
- (6) If the agency determines under OAR 137-003-0530 that good cause has been shown for failure to file a timely petition, the agency at its discretion may:
 - (a) Shorten the time within which responses to the petition shall be filed; or
 - (b) Postpone the hearing until disposition is made of the petition.
- (7) If a person is granted participation as a party or a limited party, the hearing may be postponed or continued to a later date if necessary to avoid an undue burden to one or more of the parties in the case.
- (8) In ruling on petitions to participate as a party or a limited party, the agency shall consider:
 - (a) Whether the petitioner has demonstrated a personal or public interest that could reasonably be affected by the outcome of the proceeding;
 - (b) Whether any such affected interest is within the scope of the agency's jurisdiction and within the scope of the notice of contested case hearing;
 - (c) When a public interest is alleged, the qualifications of the petitioner to represent that interest;
 - (d) The extent to which the petitioner's interest will be represented by existing parties.
- (9) The agency may treat a petition to participate as a party as if it were a petition to participate as a limited party.
- (10) If the agency grants a petition, the agency shall specify areas of participation and procedural limitations as it deems appropriate.
- (11) An agency ruling on a petition to participate as a party or as a limited party shall be by written order and served promptly on the petitioner, all parties and the Office of Administrative Hearings or assigned administrative law judge. If the petition is allowed, the agency shall also provide petitioner with the notice of rights required by ORS 183.413(2) or request the administrative law judge to do so.

Agency Participation as Interested Agency or Party

- (1) At any time after an agency refers a contested case to the Office of Administrative Hearings, the agency may also notify the parties that it intends to name any other agency that has an interest in the outcome of that proceeding as a party or as an interested agency, either on its own initiative or upon request by that other agency.
- (2) Each party shall have seven calendar days from the date of service of the notice to file objections. The agency may establish a shorter or longer period of time for filing objections.
- (3) The agency decision to name an agency as a party or as an interested agency shall be by written order and served promptly on the parties, the named agency and the Office of Administrative Hearings or assigned administrative law judge.

- (5) An agency may not be named as a party under this rule without written authorization of the Attorney General.

Representation of Agency by Attorney General or Agency Representative

- (1) An agency may be represented at a contested case hearing by the Attorney General.
- (2) An agency may be represented at a contested case hearing by an officer or employee of the agency if the Attorney General has consented to that representation in a particular hearing or class of hearings and the agency, by rule, has authorized an agency representative to appear on its behalf in the particular type of contested case hearing involved.
- (3) The administrative law judge shall not allow an agency representative appearing under section (2) of this rule to present legal argument as defined in this rule.
 - (a) "Legal Argument" includes arguments on:
 - (A) The jurisdiction of the agency to hear the contested case;
 - (B) The constitutionality of a statute or rule or the application of a constitutional requirement to an agency;
 - (C) The application of court precedent to the facts of the particular contested case proceeding.
 - (b) "Legal Argument" does not include presentation of motions, evidence, examination and cross-examination of witnesses or presentation of factual arguments or arguments on:
 - (A) The application of the statutes or rules to the facts in the contested case;
 - (B) Comparison of prior actions of the agency in handling similar situations;
 - (C) The literal meaning of the statutes or rules directly applicable to the issues in the contested case;

 - (E) The correctness of procedures being followed in the contested case hearing.
- (4) If the administrative law judge determines that statements or objections made by an agency representative appearing under section (2) involve legal argument as defined in this rule, the administrative law judge shall provide reasonable opportunity for the agency representative to consult the Attorney General and permit the Attorney General to present argument at the hearing or to file written legal argument within a reasonable time after conclusion of the hearing.

Use of Collaborative Dispute Resolution in Contested Case Hearing

- (1) When an agency issues a contested case notice, the party(ies) and the agency, if participating in the contested case hearing, may agree to participate in a collaborative dispute resolution (DR) process to resolve any issues relevant to the notice. Neither a party's request, nor any agreement by the agency, to participate in such a process tolls the period for filing a timely request for a contested case hearing.
- (2) The agency, if participating in the contested case hearing, or the administrative law judge, if the agency is not participating in the contested case hearing, may establish a deadline for the conclusion of the collaborative DR process,
- (3) The participants in the collaborative DR process may sign an agreement containing any of the provisions listed in OAR 137-005-0030 or such other terms as may be useful to further the collaborative DR process.
- (4) If the party(ies), and the agency if participating in the contested case hearing, have agreed to participate in a collaborative DR process and a party makes a timely request for a contested case hearing, the hearing shall be suspended until the collaborative DR process is completed, the agency or the party opts out of the collaborative DR process, or the deadline, if any, for the conclusion of the collaborative process is reached.
- (5) Collaborative dispute resolution may occur at any time before issuance of a final order. Any informal disposition of the contested case shall be consistent with ORS 183.415(5) and OAR 137-003-0510(4).

Discovery in Contested Case Hearing

- (1) Discovery by the agency or any party may be permitted in appropriate contested cases. Any party or the agency may file a motion pursuant to the requirements in this rule for an order requiring discovery. Before requesting a discovery order, a party or the agency must seek the discovery through an informal exchange of information.
- (2) A motion for an order requiring discovery should be filed with and decided by the agency or the administrative law judge, as required by OAR 137-003-0520(2).
- (3) Any party seeking an order from the administrative law judge requiring discovery shall send a copy of the motion to the agency, unless the agency has waived notice, and to all other parties. If the agency seeks an order requiring discovery, the agency shall send a copy of the motion to all parties. A request for an order requiring discovery must include a description of the attempts to obtain the requested discovery informally.
- (4) After receiving a written request for an order requiring discovery, the agency or the administrative law judge shall issue a written order to require or deny discovery, or the agency may issue an order to require discovery on the agency's own motion.
- (5) Discovery may include but is not limited to one or more of the following methods:
 - (a) Disclosure of names and addresses of witnesses expected to testify at the hearing;
 - (b) Production of documents, which may but need not be limited to documents that the party producing the documents plans to offer as evidence;
 - (c) Production of objects for inspection;
 - (d) Permission to enter upon land to inspect land or other property;
 - (e) Up to 20 requests for admission, including subparts, unless otherwise authorized by the administrative law judge or the agency;
 - (f) Up to 20 written interrogatories, including subparts, unless otherwise authorized by the administrative law judge or the agency;
 - (g) Prehearing conferences, as provided in OAR 137-003-0575.
- (6) Any discovery request must be reasonably likely to produce information that is generally relevant and necessary to the case, or is likely to facilitate resolution of the case. If the relevance or necessity of the requested discovery is not apparent, the agency or the administrative law judge may require the party or agency requesting discovery to explain how the request is likely to produce information that is relevant and necessary, or likely to facilitate resolution of the case.
- (7) The agency or the administrative law judge may authorize the requested discovery if the agency or the administrative law judge determines that the requested discovery is reasonably likely to produce information that is generally relevant to the case and necessary, or likely to facilitate resolution of the case. Upon request of a party, a witness, or the agency, the agency or the administrative law judge may deny, limit, or condition discovery to protect any party, any witness, or the agency from annoyance, embarrassment, oppression, undue burden or expense, or to limit the public disclosure of information that is confidential or privileged by statute or rule. In making a decision, the agency or administrative law judge shall consider any objections by the party, the witness or the agency from whom the discovery is sought.

(8) If the agency or the administrative law judge authorizes discovery, the agency or the administrative law judge shall control the methods, timing and extent of discovery. The agency or the administrative law judge may limit discovery to a list of witnesses and the documents upon which the agency and parties will rely. The agency may adopt rules governing discovery in the agency's contested cases as long as those rules are not in conflict with the requirements of this rule. Upon request of a party or the agency, the administrative law judge or the agency may issue a protective order limiting the public disclosure of information that is confidential or privileged by law.

(9) Only the agency may issue subpoenas in support of a discovery order. The agency or the party requesting the discovery may apply to the circuit court to compel obedience to a subpoena. (Subpoenas for attendance of witnesses or production of documents at the hearing are controlled by OAR 137-003-0585.)

(10) Unless otherwise prohibited by law, the agency may delegate to an administrative law judge its authority to issue subpoenas in support of a discovery order and control discovery. The delegation must be by rule or in writing, and it may be limited.

(11) The administrative law judge may refuse to admit evidence that was not disclosed in response to a discovery order or discovery request, unless the party or agency that failed to provide discovery offers a satisfactory reason for having failed to do so, or unless excluding the evidence would violate the duty to conduct a full and fair inquiry under ORS 183.415(10). If the administrative law judge admits evidence that was not disclosed as ordered or requested, the administrative law judge may grant a continuance to allow an opportunity for the agency or other party to respond.

(12) Failure to respond to a request for admissions required by a discovery order shall be deemed an admission of matters that are the subject of the request for admissions, unless the party or agency failing to respond offers a satisfactory reason for having failed to do so, or unless excluding additional evidence on the subject of the request for admissions would violate the duty to conduct a full and fair inquiry under ORS 183.415(10). If the administrative law judge does not treat failure to respond to the request for admissions as admissions, the administrative law judge may grant a continuance to enable the parties and the agency to develop the record as needed.

(13) Nothing in this rule shall be construed to require the agency or any party to provide information that is confidential or privileged under state or federal law, except that upon request the agency or any party must disclose all documents that the agency or party intends to introduce at the hearing.

(14) A party or agency dissatisfied with an administrative law judge's discovery order may ask the Chief Administrative Law Judge for immediate review of the order. A request for review by the Chief Administrative Law Judge must be made in writing within 10 days of the date of the discovery order. The Chief Administrative Law Judge shall review the order and independently apply the criteria set out above in subsection seven of this rule. The Chief Administrative Law Judge's order shall be in writing and shall explain any significant changes to the discovery order.

(15) If a party is dissatisfied with the Chief Administrative Law Judge's discovery order, the party may request that the agency review the order. A request for review must be made in writing within 10 days of the filing of the Chief Administrative Law Judge's discovery order. The agency shall review the order and independently apply the criteria set out above in subsection seven of this rule. The agency order shall be in writing and shall explain any significant changes to the Chief Administrative Law Judge's discovery order.

(16) If the agency is dissatisfied with the Chief Administrative Law Judge's discovery order, the agency may review the order on its own motion. Any decision to review the order must be stated in writing within 10 days of the filing of the Chief Administrative Law Judge's discovery order. The agency shall review the order and independently apply the criteria set out above in subsection seven of this rule. The agency order shall be in writing and shall explain any significant changes to the Chief Administrative Law Judge's discovery order.

(17) The Chief Administrative Law Judge or the agency may designate in writing a person to exercise their respective responsibilities under this rule.

(18) In addition to or in lieu of any other discovery method, a party may ask an agency for records under the Public Records Law. The party making a public records request of the agency before which the contested case is pending should serve a copy of the public records request upon the agency representative or the attorney representing the agency.

Depositions in Contested Cases

- (1) Depositions may not be taken in contested cases without agency authorization.
- (2) A party or an attorney representing the agency may petition the agency for an order to take a deposition of a witness. A copy of the petition shall be sent to all other parties and the administrative law judge. The petition shall include the name and address of the witness, explain why the witness's testimony is material to the proceedings and explain why no other means of obtaining the witness's testimony for the hearing is adequate. As used in this rule, materiality means the testimony sought tends to make the existence of any fact that is of consequence to the determination of the issues more or less probable.
- (3) The agency shall consider the petition and issue a written order either granting or denying the deposition. If the agency grants the deposition, the deposition shall be taken on such terms as the agency may order including, but not limited to, location, manner of recording, time of day, persons permitted to be present and duration.
- (4) Examination and cross-examination of deponents may proceed as permitted at hearing.
- (5) The testimony of the deponent shall be recorded.
- (6) All objections made at the time of the examination shall be noted on the record.

- (2) Prior to the conference, the administrative law judge shall notify the party(ies) and the agency, if participating, of the purposes of the conference and the matters to be considered. - (7) The administrative law judge conducting the prehearing conference must make a record of any stipulations, rulings and agreements. The administrative law judge shall either make an audio or stenographic record of the pertinent portions of the conference or shall place the substance of stipulations, rulings and agreements in the record by written summary.  - (B) For a non-English speaking person, a person readily able to communicate with the non-English speaking person and who can orally transfer the meaning of statements to and from English and the language spoken by the non-English speaking person. A qualified interpreter must be able to interpret in a manner that conserves the meaning, tone, level, style and register of the original statement, without additions or omissions. "Qualified interpreter" does not include a person who is unable to interpret the dialect, slang or specialized vocabulary used by the party or witness.
- (2) If an individual with a disability is a party or witness in a contested case hearing:
 - (a) The administrative law judge shall appoint a qualified interpreter and make available appropriate assistive communication devices whenever it is necessary to interpret the proceedings to, or to interpret the testimony of, the individual with a disability.

- (b) No fee shall be charged to the individual with a disability for the appointment of an interpreter or use of an assistive communication device. No fee shall be charged to any person for the appointment of an interpreter or the use of an assistive communication device if appointment or use is made to determine whether the person is disabled for purposes of this rule.
- (3) If a non-English speaking person is a party or witness in a contested case hearing:

No fee shall be charged to a non-English-speaking party who is unable to pay for the appointment of an interpreter to interpret the proceedings to the non-English speaking party. No fee shall be charged to any person for the appointment of an interpreter if an appointment is made to determine whether the person is unable to pay or non-English speaking for the purposes of this rule.
 - (c) A non-English speaking party shall be considered unable to pay for an interpreter for purposes of this rule if:
 - (A) The party makes a verified statement and provides other information in writing under oath showing financial inability to pay for a qualified interpreter and provides any other information required by the agency concerning the inability to pay for such an interpreter; and

- (5) The administrative law judge shall require any interpreter for a person with a disability or a non-English speaking person to state the interpreter's name on the record and whether he or she is certified under ORS 45.291. If the interpreter is not certified under ORS 45.291, the interpreter must state or submit his or her qualifications on the record and must swear or affirm to make a true and impartial interpretation of the proceedings in an understandable manner using the interpreter's best skills and judgment in accordance with the standards and ethics of the interpreter profession.

 - (d) Made directly or indirectly to the administrative law judge,
 - (e) While the contested case proceeding is pending,
 - (f) That is made without notice and opportunity for the agency and all parties to participate in the communication.

 - (a) The name of each individual from whom the administrative law judge received an ex parte communication;

 - (b) Be signed by the party or parties.
- (6) The final order shall be served on each party.

Request for Change of Administrative Law Judge

- (1) The purpose of this rule is to establish uniform procedures for the change of assignment of administrative law judges.
- (2) The words and terms used in OAR 471-060-0005 have the following meanings:
 - (a) An administrative law judge is "assigned" when a written notice is sent to a party or agency naming the administrative law judge to preside over a contested case, or the date a party or agency has actual notice of the assignment, whichever is earlier.
 - (b) "Good cause" is any reason why an administrative law judge's impartiality might reasonably be questioned. It includes, but is not limited to, personal bias or prejudice, personal knowledge of disputed facts, conflict of interest, or any other interest that could be substantially affected by the outcome of the proceeding.
- (3) Every party and agency in a contested case is entitled to request a change of administrative law judge. The first request of that party or agency shall be automatically granted. If that party or agency makes a subsequent request, it must show good cause why the administrative law judge should not preside over the hearing. The Chief administrative law judge or designee shall decide all requests.
- (4) Notwithstanding section (3), no request shall be granted if a party or agency had a reasonable opportunity to request a change of administrative law judge but did not do so. "Reasonable opportunity" is determined under the totality of circumstances. All requests must be in writing and sent or delivered to the Chief Administrative Law Judge or designee at the mailing address, telephone number, or electronic mail address indicated in the notice of assignment of administrative law judge. Requests may be sent by mail, facsimile transmission, or electronic mail.
- (5) The Chief Administrative Law Judge may exempt an agency or a class of cases from this section. All requests must be in writing.
- (6) For all contested cases pending on January 1, 2000, the Chief Administrative Law Judge shall not assign or change assignments of administrative law judges unless the agency on whose behalf the hearing is conducted requests assignment of a administrative law judge from the Office of Administrative Hearings to continue the conduct and conclude the proceedings of a pending case.

§ 300.501 Opportunity to examine records; parent participation in meetings.

(a) *Opportunity to examine records.* The parents of a child with a disability must be afforded, in accordance with the procedures of §§ 300.613 through 300.621, an opportunity to inspect and review all education records with respect to—

(1) The identification, evaluation, and educational placement of the child; and

(2) The provision of FAPE to the child.

(b) *Parent participation in meetings.*

(1) The parents of a child with a disability must be afforded an opportunity to participate in meetings with respect to—

(i) The identification, evaluation, and educational placement of the child; and

(ii) The provision of FAPE to the child.

(2) Each public agency must provide notice consistent with § 300.322(a)(1) and (b)(1) to ensure that parents of children with disabilities have the opportunity to participate in meetings described in paragraph (b)(1) of this section.

(3) A meeting does not include informal or unscheduled conversations involving public agency personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provision. A meeting also does not include preparatory activities that public agency personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

(c) *Parent involvement in placement decisions.* (1) Each public agency must ensure that a parent of each child with a disability is a member of any group that makes decisions on the educational placement of the parent's child.

(2) In implementing the requirements of paragraph (c)(1) of this section, the public agency must use procedures consistent with the procedures described in § 300.322(a) through (b)(1).

(3) If neither parent can participate in a meeting in which a decision is to be made relating to the educational placement of their child, the public agency must use other methods to ensure their participation, including individual or conference telephone calls, or video conferencing.

(4) A placement decision may be made by a group without the involvement of a parent, if the public agency is unable to obtain the parent's participation in the decision. In this case, the public agency must have a record of its attempt to ensure their involvement.

(2) Each public agency must provide to parents, upon request for an independent educational evaluation, information about where an independent educational evaluation may be obtained, and the agency criteria applicable for independent educational evaluations as set forth in paragraph (e) of this section.

(3) For the purposes of this subpart—

(i) *Independent educational evaluation* means an evaluation conducted by a qualified examiner who is not employed by the public agency responsible for the education of the child in question; and

(ii) *Public expense* means that the public agency either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent, consistent with § 300.103.

(b) *Parent right to evaluation at public expense.*

(1) A parent has the right to an independent educational evaluation at public expense if the parent disagrees with an evaluation obtained by the public agency, subject to the conditions in paragraphs (b)(2) through (4) of this section.

(2) If a parent requests an independent educational evaluation at public expense, the public agency must, without unnecessary delay, either—

(i) File a due process complaint to request a hearing to show that its evaluation is appropriate; or

(ii) Ensure that an independent educational evaluation is provided at public expense, unless the agency demonstrates in a hearing pursuant to §§ 300.507 through 300.513 that the evaluation obtained by the parent did not meet agency criteria.

(3) If the public agency files a due process complaint notice to request a hearing and the final decision is that the agency's evaluation is appropriate, the parent still has the right to an independent educational evaluation, but not at public expense.

(4) If a parent requests an independent educational evaluation, the public agency may ask for the parent's reason why he or she objects to the public evaluation. However, the public agency may not require the parent to provide an explanation and may not unreasonably delay either providing the independent educational evaluation at

(2) May be presented by any party as evidence at a hearing on a due process complaint under subpart E of this part regarding that child.

(d) *Requests for evaluations by hearing officers.* If a hearing officer requests an independent educational evaluation as part of a hearing on a due process complaint, the cost of the evaluation must be at public expense.

(e) *Agency criteria.* (1) If an independent educational evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the public agency uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an independent educational evaluation.

(2) Except for the criteria described in paragraph (e)(1) of this section, a public agency may not impose conditions or timelines related to obtaining an independent educational evaluation at public expense.

(6) A proposed resolution of the problem to the extent known and available to the party at the time.

(c) *Notice required before a hearing on a due process complaint.* A party may not have a hearing on a due process complaint until the party, or the attorney representing the party, files a due process complaint that meets the requirements of paragraph (b) of this section.

(d) *Sufficiency of complaint.* (1) The due process complaint required by this section must be deemed sufficient unless the party receiving the due process complaint notifies the hearing officer and the other party in writing, within 15 days of receipt of the due process complaint, that the receiving party believes the due process complaint does not meet the requirements in paragraph (b) of this section.

(2) Within five days of receipt of notification under paragraph (d)(1) of this section, the hearing officer must make a determination on the face of the due process complaint of whether the due process complaint meets the requirements of paragraph (b) of this section, and must immediately notify the parties in writing of that determination.

(3) A party may amend its due process complaint only if—

(i) The other party consents in writing to the amendment and is given the opportunity to resolve the due process

complaint through a meeting held pursuant to § 300.510; or

(ii) The hearing officer grants permission, except that the hearing officer may only grant permission to amend at any time not later than five days before the due process hearing begins.

(4) If a party files an amended due process complaint, the timelines for the resolution meeting in § 300.510(a) and the time period to resolve in § 300.510(b) begin again with the filing of the amended due process complaint.

(e) *LEA response to a due process complaint.* (1) If the LEA has not sent a prior written notice under § 300.503 to the parent regarding the subject matter contained in the parent's due process complaint, the LEA must, within 10 days of receiving the due process complaint, send to the parent a response that includes—

(i) An explanation of why the agency proposed or refused to take the action raised in the due process complaint;

(ii) A description of other options that the IEP Team considered and the reasons why those options were rejected;

(iii) A description of each evaluation procedure, assessment, record, or report the agency used as the basis for the proposed or refused action; and

(iv) A description of the other factors that are relevant to the agency's proposed or refused action.

(2) A response by an LEA under paragraph (e)(1) of this section shall not be construed to preclude the LEA from asserting that the parent's due process complaint was insufficient, where appropriate.

(f) *Other party response to a due process complaint.* Except as provided in paragraph (e) of this section, the party receiving a due process complaint must, within 10 days of receiving the due process complaint, send to the other party a response that specifically addresses the issues raised in the due process complaint.

§ 300.509 Model forms.

(a) Each SEA must develop model forms to assist parents and public agencies in filing a due process complaint in accordance with §§ 300.507(a) and 300.508(a) through (c) and to assist parents and other parties in filing a State complaint under §§ 300.151 through 300.153. However, the SEA or LEA may not require the use of the model forms.

(b) Parents, public agencies, and other parties may use the appropriate model form described in paragraph (a) of this section, or another form or other

document, so long as the form or document that is used meets, as appropriate, the content requirements in § 300.508(b) for filing a due process complaint, or the requirements in § 300.153(b) for filing a State complaint.

(Authority: 20 U.S.C. 1415(b)(8))

§ 300.510 Resolution process.

(a) *Resolution meeting.* (1) Within 15 days of receiving notice of the parent's due process complaint, and prior to the initiation of a due process hearing under § 300.511, the LEA must convene a meeting with the parent and the relevant member or members of the IEP Team who have specific knowledge of the facts identified in the due process complaint that—

(i) Includes a representative of the public agency who has decision-making authority on behalf of that agency; and

(ii) May not include an attorney of the LEA unless the parent is accompanied by an attorney.

(2) The purpose of the meeting is for the parent of the child to discuss the due process complaint, and the facts that form the basis of the due process complaint, so that the LEA has the opportunity to resolve the dispute that is the basis for the due process complaint.

(3) The meeting described in paragraph (a)(1) and (2) of this section need not be held if—

(i) The parent and the LEA agree in writing to waive the meeting; or

(ii) The parent and the LEA agree to use the mediation process described in § 300.506.

(4) The parent and the LEA determine the relevant members of the IEP Team to attend the meeting.

(b) *Resolution period.* (1) If the LEA has not resolved the due process complaint to the satisfaction of the parent within 30 days of the receipt of the due process complaint, the due process hearing may occur.

(2) Except as provided in paragraph (c) of this section, the timeline for issuing a final decision under § 300.515 begins at the expiration of this 30-day period.

(3) Except where the parties have jointly agreed to waive the resolution process or to use mediation, notwithstanding paragraphs (b)(1) and (2) of this section, the failure of the parent filing a due process complaint to participate in the resolution meeting will delay the timelines for the resolution process and due process hearing until the meeting is held.

(4) If the LEA is unable to obtain the participation of the parent in the resolution meeting after reasonable efforts have been made (and

documented using the procedures in § 300.322(d)), the LEA may, at the conclusion of the 30-day period, request that a hearing officer dismiss the parent's due process complaint.

(5) If the LEA fails to hold the resolution meeting specified in paragraph (a) of this section within 15 days of receiving notice of a parent's due process complaint or fails to participate in the resolution meeting, the parent may seek the intervention of a hearing officer to begin the due process hearing timeline.

(c) *Adjustments to 30-day resolution period.* The 45-day timeline for the due process hearing in § 300.515(a) starts the day after one of the following events:

(1) Both parties agree in writing to waive the resolution meeting;

(2) After either the mediation or resolution meeting starts but before the end of the 30-day period, the parties agree in writing that no agreement is possible;

(3) If both parties agree in writing to continue the mediation at the end of the 30-day resolution period, but later, the parent or public agency withdraws from the mediation process.

(d) *Written settlement agreement.* If a resolution to the dispute is reached at the meeting described in paragraphs (a)(1) and (2) of this section, the parties must execute a legally binding agreement that is—

(1) Signed by both the parent and a representative of the agency who has the authority to bind the agency; and

(2) Enforceable in any State court of competent jurisdiction or in a district court of the United States, or, by the SEA, if the State has other mechanisms or procedures that permit parties to seek enforcement of resolution agreements, pursuant to § 300.537.

(e) *Agreement review period.* If the parties execute an agreement pursuant to paragraph (c) of this section, a party may void the agreement within 3 business days of the agreement's execution.

§ 300.511 Impartial due process hearing.

(a) *General.* Whenever a due process complaint is received under § 300.507 or § 300.532, the parents or the LEA involved in the dispute must have an opportunity for an impartial due process hearing, consistent with the procedures in §§ 300.507, 300.508, and 300.510.

(b) *Agency responsible for conducting the due process hearing.* The hearing described in paragraph (a) of this section must be conducted by the SEA or the public agency directly responsible for the education of the child, as determined under State statute,

State regulation, or a written policy of the SEA.

(c) *Impartial hearing officer.* (1) At a minimum, a hearing officer—

(i) Must not be—

(A) An employee of the SEA or the LEA that is involved in the education or care of the child; or

(B) A person having a personal or professional interest that conflicts with the person's objectivity in the hearing;

(ii) Must possess knowledge of, and the ability to understand, the provisions of the Act, Federal and State regulations pertaining to the Act, and legal interpretations of the Act by Federal and State courts;

(iii) Must possess the knowledge and ability to conduct hearings in accordance with appropriate, standard legal practice; and

(iv) Must possess the knowledge and ability to render and write decisions in accordance with appropriate, standard legal practice.

(2) A person who otherwise qualifies to conduct a hearing under paragraph (c)(1) of this section is not an employee of the agency solely because he or she is paid by the agency to serve as a hearing officer.

(3) Each public agency must keep a list of the persons who serve as hearing officers. The list must include a statement of the qualifications of each of those persons.

(d) *Subject matter of due process hearings.* The party requesting the due process hearing may not raise issues at the due process hearing that were not raised in the due process complaint filed under § 300.508(b), unless the other party agrees otherwise.

(e) *Timeline for requesting a hearing.* A parent or agency must request an impartial hearing on their due process complaint within two years of the date the parent or agency knew or should have known about the alleged action that forms the basis of the due process complaint, or if the State has an explicit time limitation for requesting such a due process hearing under this part, in the time allowed by that State law.

(f) *Exceptions to the timeline.* The timeline described in paragraph (e) of this section does not apply to a parent if the parent was prevented from filing a due process complaint due to—

(1) Specific misrepresentations by the LEA that it had resolved the problem forming the basis of the due process complaint; or

(2) The LEA's withholding of information from the parent that was required under this part to be provided to the parent.

§ 300.513 Hearing decisions.

(a) *Decision of hearing officer on the provision of FAPE.* (1) Subject to paragraph (a)(2) of this section, a hearing officer's determination of whether a child received FAPE must be based on substantive grounds.

(2) In matters alleging a procedural violation, a hearing officer may find that a child did not receive a FAPE only if the procedural inadequacies—

(i) Impeded the child's right to a FAPE;

(ii) Significantly impeded the parent's opportunity to participate in the decision-making process regarding the provision of a FAPE to the parent's child; or

(iii) Caused a deprivation of educational benefit.

(3) Nothing in paragraph (a) of this section shall be construed to preclude a hearing officer from ordering an LEA to comply with procedural requirements under §§ 300.500 through 300.536.

(b) *Time limitation.* The party bringing the action shall have 90 days from the date of the decision of the hearing officer or, if applicable, the decision of the State review official, to file a civil action, or, if the State has an explicit time limitation for bringing civil actions under Part B of the Act, in the time allowed by that State law.

(i) The prevailing party who is the parent of a child with a disability;

(ii) To a prevailing party who is an SEA or LEA against the attorney of a parent who files a complaint or subsequent cause of action that is frivolous, unreasonable, or without foundation, or against the attorney of a parent who continued to litigate after the litigation clearly became frivolous, unreasonable, or without foundation; or

(iii) To a prevailing SEA or LEA against the attorney of a parent, or

against the parent, if the parent's request for a due process hearing or subsequent cause of action was presented for any improper purpose, such as to harass, to cause unnecessary delay, or to needlessly increase the cost of litigation.

(2) Nothing in this subsection shall be construed to affect section 327 of the District of Columbia Appropriations Act, 2005.

(b) *Prohibition on use of funds.* (1) Funds under Part B of the Act may not be used to pay attorneys' fees or costs of a party related to any action or proceeding under section 615 of the Act and subpart E of this part.

(2) Paragraph (b)(1) of this section does not preclude a public agency from using funds under Part B of the Act for conducting an action or proceeding under section 615 of the Act.

(c) *Award of fees.* A court awards reasonable attorneys' fees under section 615(i)(3) of the Act consistent with the following:

(1) Fees awarded under section 615(i)(3) of the Act must be based on rates prevailing in the community in which the action or proceeding arose for the kind and quality of services furnished. No bonus or multiplier may be used in calculating the fees awarded under this paragraph.

(2)(i) Attorneys' fees may not be awarded and related costs may not be reimbursed in any action or proceeding under section 615 of the Act for services performed subsequent to the time of a written offer of settlement to a parent if—

(A) The offer is made within the time prescribed by Rule 68 of the Federal Rules of Civil Procedure or, in the case of an administrative proceeding, at any time more than 10 days before the proceeding begins;

(B) The offer is not accepted within 10 days; and

(C) The court or administrative hearing officer finds that the relief finally obtained by the parents is not more favorable to the parents than the offer of settlement.

(ii) Attorneys' fees may not be awarded relating to any meeting of the IEP Team unless the meeting is convened as a result of an administrative proceeding or judicial action, or at the discretion of the State, for a mediation described in § 300.506.

(iii) A meeting conducted pursuant to § 300.510 shall not be considered—

(A) A meeting convened as a result of an administrative hearing or judicial action; or

(B) An administrative hearing or judicial action for purposes of this section.

(3) Notwithstanding paragraph (c)(2) of this section, an award of attorneys' fees and related costs may be made to a parent who is the prevailing party and who was substantially justified in rejecting the settlement offer.

(4) Except as provided in paragraph (c)(5) of this section, the court reduces, accordingly, the amount of the attorneys' fees awarded under section 615 of the Act, if the court finds that—

(i) The parent, or the parent's attorney, during the course of the action or proceeding, unreasonably protracted the final resolution of the controversy;

(ii) The amount of the attorneys' fees otherwise authorized to be awarded unreasonably exceeds the hourly rate prevailing in the community for similar services by attorneys of reasonably comparable skill, reputation, and experience;

(iii) The time spent and legal services furnished were excessive considering the nature of the action or proceeding; or

(iv) The attorney representing the parent did not provide to the LEA the appropriate information in the due process request notice in accordance with § 300.508.

(5) The provisions of paragraph (c)(4) of this section do not apply in any action or proceeding if the court finds that the State or local agency unreasonably protracted the final resolution of the action or proceeding or there was a violation of section 615 of the Act.

§ 300.518 Child's status during proceedings.

(a) Except as provided in § 300.533, during the pendency of any administrative or judicial proceeding regarding a due process complaint notice requesting a due process hearing under § 300.507, unless the State or local agency and the parents of the child agree otherwise, the child involved in the complaint must remain in his or her current educational placement.

(b) If the complaint involves an application for initial admission to public school, the child, with the consent of the parents, must be placed in the public school until the completion of all the proceedings.

(c) If the complaint involves an application for initial services under this part from a child who is transitioning from Part C of the Act to Part B and is no longer eligible for Part C services because the child has turned three, the public agency is not required to provide the Part C services that the child had been receiving. If the child is found eligible for special education and

related services under Part B and the parent consents to the initial provision of special education and related services under § 300.300(b), then the public agency must provide those special education and related services that are not in dispute between the parent and the public agency.

(d) If the hearing officer in a due process hearing conducted by the SEA or a State review official in an administrative appeal agrees with the child's parents that a change of placement is appropriate, that placement must be treated as an agreement between the State and the parents for purposes of paragraph (a) of this section.

§ 300.519 Surrogate parents.

(a) *General.* Each public agency must ensure that the rights of a child are protected when—

(4) The child is an unaccompanied homeless youth as defined in section 725(6) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(6)).

(b) *Duties of public agency.* The duties of a public agency under paragraph (a) of this section include the assignment of an individual to act as a surrogate for the parents. This must include a method—

(1) For determining whether a child needs a surrogate parent; and

(2) For assigning a surrogate parent to the child.

(c) *Wards of the State.* In the case of a child who is a ward of the State, the surrogate parent alternatively may be appointed by the judge overseeing the child's case, provided that the surrogate meets the requirements in paragraphs (d)(2)(i) and (e) of this section.

(d) *Criteria for selection of surrogate parents.* (1) The public agency may select a surrogate parent in any way permitted under State law.

(2) Public agencies must ensure that a person selected as a surrogate parent—

(i) Is not an employee of the SEA, the LEA, or any other agency that is involved in the education or care of the child;

(ii) Has no personal or professional interest that conflicts with the interest of the child the surrogate parent represents; and

(iii) Has knowledge and skills that ensure adequate representation of the child.

(e) *Non-employee requirement; compensation.* A person otherwise qualified to be a surrogate parent under paragraph (d) of this section is not an employee of the agency solely because he or she is paid by the agency to serve as a surrogate parent.

(f) *Unaccompanied homeless youth.*

In the case of a child who is an unaccompanied homeless youth, appropriate staff of emergency shelters, transitional shelters, independent living programs, and street outreach programs may be appointed as temporary surrogate parents without regard to paragraph (d)(2)(i) of this section, until a surrogate parent can be appointed that meets all of the requirements of paragraph (d) of this section.

(g) *Surrogate parent responsibilities.* The surrogate parent may represent the child in all matters relating to—

(1) The identification, evaluation, and educational placement of the child; and

(2) The provision of FAPE to the child.

(h) *SEA responsibility.* The SEA must make reasonable efforts to ensure the assignment of a surrogate parent not more than 30 days after a public agency determines that the child needs a surrogate parent.

(a) *General.* A State may provide that, when a child with a disability reaches the age of majority under State law that applies to all children (except for a child with a disability who has been determined to be incompetent under State law)—

(1)(i) The public agency must provide any notice required by this part to both the child and the parents; and

(ii) All rights accorded to parents under Part B of the Act transfer to the child;

(2) All rights accorded to parents under Part B of the Act transfer to children who are incarcerated in an adult or juvenile, State or local correctional institution; and

(3) Whenever a State provides for the transfer of rights under this part pursuant to paragraph (a)(1) or (a)(2) of this section, the agency must notify the child and the parents of the transfer of rights.

(b) *Special rule.* A State must establish procedures for appointing the parent of a child with a disability, or, if the parent is not available, another appropriate individual, to represent the educational interests of the child throughout the period of the child's eligibility under Part B of the Act if, under State law, a child who has

reached the age of majority, but has not been determined to be incompetent, can be determined not to have the ability to provide informed consent with respect to the child's educational program.

Discipline Procedures

§ 300.530 Authority of school personnel.

(a) Case-by-case determination.

School personnel may consider any unique circumstances on a case-by-case basis when determining whether a change in placement, consistent with the other requirements of this section, is appropriate for a child with a disability who violates a code of student conduct.

(b) General. (1) School personnel under this section may remove a child with a disability who violates a code of student conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 consecutive school days (to the extent those alternatives are applied to children without disabilities), and for additional removals of not more than 10 consecutive school days in that same school year for separate incidents of misconduct (as long as those removals do not constitute a change of placement under § 300.536).

(2) After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, during any subsequent days of removal the public agency must provide services to the extent required under paragraph (d) of this section.

(c) Additional authority. For disciplinary changes in placement that would exceed 10 consecutive school days, if the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the child's disability pursuant to paragraph (e) of this section, school personnel may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to children without disabilities, except as provided in paragraph (d) of this section.

(d) Services. (1) A child with a disability who is removed from the child's current placement pursuant to paragraphs (c), or (g) of this section must—

(i) Continue to receive educational services, as provided in § 300.101(a), so as to enable the child to continue to participate in the general education curriculum, although in another setting,

and to progress toward meeting the goals set out in the child's IEP; and

(ii) Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

(2) The services required by paragraph (d)(1), (d)(3), (d)(4), and (d)(5) of this section may be provided in an interim alternative educational setting.

(3) A public agency is only required to provide services during periods of removal to a child with a disability who has been removed from his or her current placement for 10 school days or less in that school year, if it provides services to a child without disabilities who is similarly removed.

(4) After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, if the current removal is for not more than 10 consecutive school days and is not a change of placement under § 300.536, school personnel, in consultation with at least one of the child's teachers, determine the extent to which services are needed, as provided in § 300.101(a), so as to enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP.

(5) If the removal is a change of placement under § 300.536, the child's IEP Team determines appropriate services under paragraph (d)(1) of this section.

(e) Manifestation determination. (1) Within 10 school days of any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the LEA, the parent, and relevant members of the child's IEP Team (as determined by the parent and the LEA) must review all relevant information in the student's file, including the child's IEP, any teacher observations, and any relevant information provided by the parents to determine—

(i) If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or

(ii) If the conduct in question was the direct result of the LEA's failure to implement the IEP.

(2) The conduct must be determined to be a manifestation of the child's disability if the LEA, the parent, and relevant members of the child's IEP Team determine that a condition in either paragraph (e)(1)(i) or (1)(ii) of this section was met.

(3) If the LEA, the parent, and relevant members of the child's IEP Team determine the condition described in paragraph (e)(1)(ii) of this section was met, the LEA must take immediate steps to remedy those deficiencies.

(f) Determination that behavior was a manifestation. If the LEA, the parent, and relevant members of the IEP Team make the determination that the conduct was a manifestation of the child's disability, the IEP Team must—

(1) Either—

(i) Conduct a functional behavioral assessment, unless the LEA had conducted a functional behavioral assessment before the behavior that resulted in the change of placement occurred, and implement a behavioral intervention plan for the child; or

(ii) If a behavioral intervention plan already has been developed, review the behavioral intervention plan, and modify it, as necessary, to address the behavior; and

(2) Except as provided in paragraph (g) of this section, return the child to the placement from which the child was removed, unless the parent and the LEA agree to a change of placement as part of the modification of the behavioral intervention plan.

(g) Special circumstances. School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the child's disability, if the child—

(1) Carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function under the jurisdiction of an SEA or an LEA;

(2) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of an SEA or an LEA; or

(3) Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of an SEA or an LEA.

(h) Notification. On the date on which the decision is made to make a removal that constitutes a change of placement of a child with a disability because of a violation of a code of student conduct, the LEA must notify the parents of that decision, and provide the parents the procedural safeguards notice described in § 300.504.

(i) Definitions. For purposes of this section, the following definitions apply:

(1) *Controlled substance* means a drug or other substance identified under schedules I, II, III, IV, or V in section

202(c) of the Controlled Substances Act (21 U.S.C. 812(c)).

(2) *Illegal drug* means a controlled substance; but does not include a controlled substance that is legally possessed or used under the supervision of a licensed health-care professional or that is legally possessed or used under any other authority under that Act or under any other provision of Federal law.

(3) *Serious bodily injury* has the meaning given the term "serious bodily injury" under paragraph (3) of subsection (h) of section 1365 of title 18, United States Code.

(4) *Weapon* has the meaning given the term "dangerous weapon" under paragraph (2) of the first subsection (g) of section 930 of title 18, United States Code.

§ 300.531 Determination of setting.

The child's IEP Team determines the interim alternative educational setting for services under § 300.530(c), (d)(5), and (g).

(Authority: 20 U.S.C. 1415(k)(2))

§ 300.532 Appeal.

(a) *General.* The parent of a child with a disability who disagrees with any decision regarding placement under §§ 300.530 and 300.531, or the manifestation determination under § 300.530(e), or an LEA that believes that maintaining the current placement of the child is substantially likely to result in injury to the child or others, may appeal the decision by requesting a hearing. The hearing is requested by filing a complaint pursuant to §§ 300.507 and 300.508(a) and (b).

(b) *Authority of hearing officer.* (1) A hearing officer under § 300.511 hears, and makes a determination regarding an appeal under paragraph (a) of this section.

(2) In making the determination under paragraph (b)(1) of this section, the hearing officer may—

(i) Return the child with a disability to the placement from which the child was removed if the hearing officer determines that the removal was a violation of § 300.530 or that the child's behavior was a manifestation of the child's disability; or

(ii) Order a change of placement of the child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of the child is substantially likely to result in injury to the child or to others.

(3) The procedures under paragraphs (a) and (b)(1) and (2) of this section may

be repeated, if the LEA believes that returning the child to the original placement is substantially likely to result in injury to the child or to others.

(c) *Expedited due process hearing.* (1) Whenever a hearing is requested under paragraph (a) of this section, the parents or the LEA involved in the dispute must have an opportunity for an impartial due process hearing consistent with the requirements of §§ 300.507 and 300.508(a) through (c) and §§ 300.510 through 300.514, except as provided in paragraph (c)(2) through (4) of this section.

(2) The SEA or LEA is responsible for arranging the expedited due process hearing, which must occur within 20 school days of the date the complaint requesting the hearing is filed. The hearing officer must make a determination within 10 school days after the hearing.

(3) Unless the parents and LEA agree in writing to waive the resolution meeting described in paragraph (c)(3)(i) of this section, or agree to use the mediation process described in § 300.506—

(i) A resolution meeting must occur within seven days of receiving notice of the due process complaint; and

(ii) The due process hearing may proceed unless the matter has been resolved to the satisfaction of both parties within 15 days of the receipt of the due process complaint.

(4) A State may establish different State-imposed procedural rules for expedited due process hearings conducted under this section than it has established for other due process hearings, but, except for the timelines as modified in paragraph (c)(3) of this section, the State must ensure that the requirements in §§ 300.510 through 300.514 are met.

(5) The decisions on expedited due process hearings are appealable consistent with § 300.514.

§ 300.533 Placement during appeals.

When an appeal under § 300.532 has been made by either the parent or the LEA, the child must remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the time period specified in § 300.530(c) or (g), whichever occurs first, unless the parent and the SEA or LEA agree otherwise.

§ 300.534 Protections for children not determined eligible for special education and related services.

(a) *General.* A child who has not been determined to be eligible for special education and related services under this part and who has engaged in behavior that violated a code of student conduct, may assert any of the protections provided for in this part if the public agency had knowledge (as determined in accordance with paragraph (b) of this section) that the child was a child with a disability before the behavior that precipitated the disciplinary action occurred.

(b) *Basis of knowledge.* A public agency must be deemed to have knowledge that a child is a child with a disability if before the behavior that precipitated the disciplinary action occurred—

(1) The parent of the child expressed concern in writing to supervisory or administrative personnel of the appropriate educational agency, or a teacher of the child, that the child is in need of special education and related services;

(2) The parent of the child requested an evaluation of the child pursuant to §§ 300.300 through 300.311; or

(3) The teacher of the child, or other personnel of the LEA, expressed specific concerns about a pattern of behavior demonstrated by the child directly to the director of special education of the agency or to other supervisory personnel of the agency.

(c) *Exception.* A public agency would not be deemed to have knowledge under paragraph (b) of this section if—

(1) The parent of the child—

(i) Has not allowed an evaluation of the child pursuant to §§ 300.300 through 300.311; or

(ii) Has refused services under this part; or

(2) The child has been evaluated in accordance with §§ 300.300 through 300.311 and determined to not be a child with a disability under this part.

(d) *Conditions that apply if no basis of knowledge.* (1) If a public agency does not have knowledge that a child is a child with a disability (in accordance with paragraphs (b) and (c) of this section) prior to taking disciplinary measures against the child, the child may be subjected to the disciplinary measures applied to children without disabilities who engage in comparable behaviors consistent with paragraph (d)(2) of this section.

(2)(i) If a request is made for an evaluation of a child during the time period in which the child is subjected to disciplinary measures under

§ 300.530, the evaluation must be conducted in an expedited manner.

(ii) Until the evaluation is completed, the child remains in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

(iii) If the child is determined to be a child with a disability, taking into consideration information from the evaluation conducted by the agency and information provided by the parents, the agency must provide special education and related services in accordance with this part, including the requirements of §§ 300.530 through 300.536 and section 612(a)(1)(A) of the Act.

§ 300.535 Referral to and action by law enforcement and judicial authorities.

(a) *Rule of construction.* Nothing in this part prohibits an agency from reporting a crime committed by a child with a disability to appropriate authorities or prevents State law enforcement and judicial authorities from exercising their responsibilities with regard to the application of Federal and State law to crimes committed by a child with a disability.

(b) *Transmittal of records.* (1) An agency reporting a crime committed by a child with a disability must ensure that copies of the special education and disciplinary records of the child are transmitted for consideration by the appropriate authorities to whom the agency reports the crime.

(2) An agency reporting a crime under this section may transmit copies of the child's special education and disciplinary records only to the extent that the transmission is permitted by the Family Educational Rights and Privacy Act.

§ 300.536 Change of placement because of disciplinary removals.

(a) For purposes of removals of a child with a disability from the child's current educational placement under §§ 300.530 through 300.535, a change of placement occurs if—

(1) The removal is for more than 10 consecutive school days; or

(2) The child has been subjected to a series of removals that constitute a pattern—

(i) Because the series of removals total more than 10 school days in a school year;

(ii) Because the child's behavior is substantially similar to the child's behavior in previous incidents that resulted in the series of removals; and

(iii) Because of such additional factors as the length of each removal, the total amount of time the child has been removed, and the proximity of the removals to one another.

(b)(1) The public agency determines on a case-by-case basis whether a pattern of removals constitutes a change of placement.

(2) This determination is subject to review through due process and judicial proceedings.

§ 300.537 State enforcement mechanisms.

Notwithstanding §§ 300.506(b)(7) and 300.510(d)(2), which provide for judicial enforcement of a written agreement reached as a result of mediation or a resolution meeting, there is nothing in this part that would prevent the SEA from using other mechanisms to seek enforcement of that agreement, provided that use of those mechanisms is not mandatory and does not delay or deny a party the right to seek enforcement of the written agreement in a State court of competent jurisdiction or in a district court of the United States.
