

THE EVERY STUDENT SUCCEEDS ACT: ENSURING EQUITY & EXCELLENCE FOR EVERY OREGON LEARNER

AGENDA

Purpose of Meeting

Advance Oregon's work under the Every Student Succeeds Act through meaningful collaboration and thought partnership in order to design a system that improves teaching and learning and student achievement in Oregon.

Today's Meeting Objectives

- Hear an update from Deputy Superintendent Salam Noor
- Provide feedback on key elements of Oregon's State Plan
- Gather information to take back to your constituents, schools, and organizations

1:00 pm – Welcome & Oregon's State Plan under ESSA

Participants will review an updated timeline for State Plan submission and learn about the work to engage stakeholders under ESSA including feedback sessions with students, practitioners, partners, tribes, the State Board of Education and communities across Oregon.

1:30 pm – Supporting All Students

Participants will be led through a working document on well-rounded education and supporting all students. Participants will be asked to provide input on state-level strategies to support students through Title IVA (well-rounded education) and other federal funds.

2:45 pm – Oregon's Long-Term Goals

Participants will engage in discussion on the state's proposed long-term goals.

3:25 pm – Performance Management System

Participants will learn about support for districts under ESSA and the enhanced system of performance management.
