## **OREGON DEPARTMENT OF EDUCATION YOUTH DEVELOPMENT DIVISION**

### **DIVISION 8**

#### **PROGRAM PURPOSES AND RESTRICTIONS**

##### **423-008-0005 Youth Investment**

Activities and initiatives will have measurable outcomes and support goals adopted by the council. These outcomes will be reported using the format and timeline prescribed by the Division. It is the intent of the Council that activities and initiatives will be provided in a culturally competent and gender-specific manner that reflects the population, needs and resources of the county. The following purposes and restrictions will apply to county allocations:

**(1) Program Area: Youth Investment:**

**(a) Age: Ages 13 through 18 years, although 11 and 12 year olds may be included where appropriate;**

**(b) Service Areas: Services to non-delinquent youth who are chronically acting out or are victims of neglect. Programs and services will promote outcomes identified by the Council. Youth are considered chronically acting out when they are exhibiting school behavior problems, are out of parental control, are runaway and homeless, or are exhibiting other risk factors. Youth are non-delinquent if they have no history of, or current involvement with, the juvenile justice system, or have been diverted from the juvenile justice system. Youth who have been referred to a juvenile department for a criminal activity, or who have been placed on an informal accountability agreement are not considered to be non-delinquent for purposes of this funding. These funds must support research-based services, systems, initiatives and programs.**
