Compliance and Reporting on Standards

Revised 10/16/17

(1) Districts must comply with the state standards set forth in OAR chapter 581, division 22.

(2) Districts must maintain evidence of compliance with the state standards and make such evidence available upon request.

(3) Districts must report compliance with all state standards set forth in OAR chapter 581, division 22:

(a) To the school board of the district in a public meeting by February 1 of each school year and the school board must acknowledge receipt of the report prior to submission of the report to the Department of Education; and

(b) To the Department by February 15 on a form to be provided by the Department of Education.

(4) A district must post the report on compliance with state standards on the district's web page by February 1 of each school year.
