

DIVISION 26
PUBLIC CHARTER SCHOOLS

581-026-0700

Participation in District Interscholastic Activities for Students Who Attend a Public Charter School

(1) A school district may not deny a student who attends a public charter school the opportunity to participate in interscholastic activities if the following requirements are met:

(a) The student who attends a public charter school resides within the school district's attendance boundaries as per ORS 339.133;

(b) The student who attends a public charter school meets all of the eligibility requirements in 581-026-0705; and

(c) The student attends a public charter school that does not offer a comparable interscholastic activity.

(A) Oregon School Activities Association (OSAA) regulations will be used to determine whether or not an interscholastic activity is comparable. If OSAA regulations do not determine comparability, the public charter school may make the determination.
