www.oregon.gov/ODE

It is a policy of the State Board of Education and a priority of the Oregon Department of Education that there will be no discrimination or harassment on the grounds of race, color, sex, marital status, religion, national origin, age, sexual orientation, or disability in any educational programs, activities or employment. Persons having questions about equal opportunity and nondiscrimination should contact the Director at the Oregon Department of Education/255 Capitol St NE Salem, OR 97310/Phone: 503-947-5600/Fax: 503-378-4772

This directory is produced at least annually by the Communications office. Revisions to the directory are solicited in May of each year which allows time for the directory to be compiled and posted on the web by early Fall. The directory can be accessed on our website www.oregon.gov/ODE.

MESSAGE FROM THE DIRECTOR

Oregon has 197 school districts and more than 1,200 public and charter schools. As we work to streamline education and improve the opportunities and outcomes for our students, building strong connections between schools, districts and the broader community will be vital. The Oregon School Directory is a tool that I hope our state will find helpful in making those contacts and building those important connections.

The Online Oregon School Directory is a compilation of phone numbers, addresses, emails, and key staff people in all public schools and districts in the state, along with additional information about private schools, Oregon Department of Education (ODE) staff contacts, and other educational institutions. For more information on ODE staff organized by topic, please see our [ODE Yellow Pages](#).

This directory is updated throughout the school year to ensure that you always have access to the latest contact information for Oregon public schools and districts. However, contact information is only as good as it is current. If you see out-of-date or inaccurate information for your school, please take the time to let us know by emailing us at: ode.institutions-request@ode.state.or.us. If you have a major institution change such as adding or removing institutions from our database, please complete this [form](#) and send it to the email address above. You can also use the [Institutions Lookup Tool](#) on our website to check what information we have in our database for your institution.

Thank you for helping us keep this tool as accurate and useful as possible.

PRIVATE ALTERNATIVE ELEMENTARY & SECONDARY SCHOOLS

Non-public education is recognized as a vital part of Oregon's educational system. Parents have the option of providing their child's education through Private or Home School. Private schools do not have to register with the State of Oregon, unless they are contracting with public school district for services. Although private pre-12 schools no longer register, the process for Child Care Licensing remains in effect.
