

COMPUTER SCIENCE IMPLEMENTATION PLAN CONSULT GROUP

ACCEPTING APPLICATIONS

To expand access to comprehensive computer science education, the Oregon Department of Education (ODE) and the Higher Education Coordinating Commission (HECC) are establishing a Computer Science Consult Group. The group, which will support development of a statewide implementation plan for computer science education, will meet regularly from February 2023 through September 2023 to review engagement summaries, draft recommendations, and advise ODE and HECC staff. If you are passionate about computer science education, we encourage you to lend your voice and apply to be part of the Computer Science Consult Group. To view application requirements and find out more, please visit our Consult Group Application and apply by 11:59 PM on January 31, 2023. The Consult Group Application is also available in Spanish.

BACKGROUND

In May 2022, Governor Brown directed the ODE and the HECC to develop a statewide implementation plan for computer science education, which would provide access to comprehensive computer science education opportunities to every public school student in this state by the 2027-2028 school year. For more information about this plan, please visit our Computer Science Implementation Plan website or email us at ode.csinitiative@ode.oregon.gov. You can also subscribe to our listserv to receive newsletters, updates, and announcements about this project.
