ODE HOSTED TEACHING AND TECH

CONTINUING THE EDTECH CADRE CONNECTION

Are you an educator interested in integrating digital learning into your classroom? Are you teaching in an online or remote learning environment and want to learn more about ways to support your students? If this sounds like you, join us to learn and build your professional network!

Teaching and Tech sessions are an opportunity for educators to come together on a monthly rhythm to learn something new, discuss digital learning problems of practice, talk about teaching with tech, and connect with other educators across the state!

Sessions take place through Zoom on the first Thursday of each month, 4:00-5:00PM. You can join us every month or whenever able.

Session topics include: Digital Equity & and the Digital Divide (Access, Use, and Design), Supporting students with disabilities through digital learning, Supporting multilingual learners through digital learning, Open Educational Resources (OER) & Digital Resources and Tools
