

# TITLE I–D SUBPART 2 PLAN EVALUATION

## Instructions

Every district receiving Title I-D, Subpart 2 funds must establish a plan to meet the needs of students qualifying for services. Program plans must be evaluated by the district and appropriate partners at least once every three years. A plan and evaluation must be completed by the district.

Name of School District

Name of Qualifying Facility

Program/Location of Services

Review Date

**Reviewing our Plan: Who was at the table? Recommended: district, facility, and program personnel, administrators, teachers, students, families, and community partners**

Name	Title/Role
------	------------

**Looking back: What did our data say about participating students:**

- Making academic progress
- Accruing credits towards graduation
- Transitioning between programs of support
- Completing high school or high school equivalency requirements
- Participating in career and technical education or post-secondary planning

**Looking forward: Based on what we learned, what will next year's plan look like?**

(Program goals, services, etc.)

**Fiscal: What is our process for ensuring we are following fiscal requirements?**
