Oregon Mentoring Program (OMP)

Oregon is committed to an educational system that recruits and retains educators of the highest quality in order to provide all children with an effective teacher and administrator. The Beginning Teacher and Administrator Mentoring Program was established in Oregon through the passage of the 2007 Legislature's HB 2574 and then expanded in the 2013 legislative session with HB 3233 which established the Network for Quality Teaching and Learning. Individual and various consortia of school districts are funded by the Oregon Department of Education each year to establish and support evidence-based mentoring programs for beginning teachers and beginning administrators.
