Key Questions To Consider When Planning Lessons

Key questions

Think about how learners will engage with the lesson:

1. Does the lesson provide options that can help all learners regulate their learning?
2. Does the lesson provide options that help all learners sustain effort and motivations?
3. Does the lesson provide options that engage and interest all learners?

Think about how information is presented to learners:

4. Does the information provide options that help all learners reach higher levels of comprehension and understanding?
5. Does the information provide options that help all learners understand the symbols and expressions?
6. Does the information provide options that help all learners perceive what needs to be learned?

Think about how learners are expected to act strategically & express themselves:

7. Does the activity provide options that help all students act strategically?
8. Does the activity provide options that help all learners express themselves fluently?
9. Does the activity provide options that help all learners physically respond?
