## **ANTICIPATED CHANGES FOR 2011-12 ADEQUATE YEARLY PROGRESS (AYP) REPORTS**

---

### **NEW ACHIEVEMENT STANDARDS FOR READING/LITERATURE IN 2011-12**

On May 19, 2011, the Oregon State Board adopted revised reading achievement standards for the OAKS Online Assessments (for grades 3-8), effective for the 2011-12 school year.

### **ACADEMIC STATUS**

The 2010-11 Reading assessment results will be calculated using the 2010-11 cut scores, and the 2011-12 Reading assessment results will be calculated using the 2011-12 cut scores.

The Academic Status targets increased from 70% to 80% for both Reading and Mathematics.

The Margin of Error calculation was changed due to the increased targets.

### **ACADEMIC GROWTH**

In order to make valid comparisons of student achievement between these two years, Safe Harbor for Reading will be calculated by using the 2010-11 cut scores on both 2010-11 and 2011-12 assessments. Mathematics returns to normal.

---

### **COHORT GRADUATION TARGETS**

The four-year Cohort Graduation target increased from 65% to 67%. The five-year Cohort Graduation target increased from 70% to 72%.

### **SUBGROUPS**

Cohort Graduation designations for all subgroups will be used to determine the overall Cohort Graduation designation.
