

High School Success Plan  
2021-2023

<b>Lead Organization</b>	<b>Baker Web Academy</b>
<b>Goal #1</b>	The first goal for BWA is to increase our English Language Arts Performance from the 18/19 rate of 52.6% to 58%, which would move BWA from Level 2 to Level 3. Baker Early College will focus on participation in English and Math. BEC is one of the highest performing schools in Oregon but our students often opt-out of the SBAC assessment in favor of the SAT/ACT options. Ensuring our students take the SBAC assessment will make sure we have reliable data to inform improvement efforts.
<b>Short-Term Outcome</b>	Goal 1- Baker Web Academy- ELA performance. Increase BWA's ELA performance from 52.6% to 58% over the 21-23 biennium. Goal 1- Baker Early College- ELA and Math participation. Increase BEC ELA participation to 95% and Math to 94% over the 21-23 biennium.
<b>Long-Term Outcome</b>	BWA's long-term goal is to increase ELA performance to 67% which would be level 3. BEC's long-term goal is to maintain an ELA and Math participation rate of 94% annually on the Smarter Balanced Assessment.
<b>Goal #2</b>	Goal 2- Baker Web Academy- BWA will focus on increasing our math growth from 39% to 45% over the biennium, which will move our school from Level 2 to Level 3. Goal 2- Baker Early College- BEC will work on increasing our math performance from 52.7% to 62% over the course of the biennium, which will move our school from Level 3 to Level 4.
<b>Short-Term Outcome</b>	Baker Web Academy will focus on increasing our math growth rate to 45% by the end of the 22/23 school year. Baker Early College will be working to increase math performance to 62 by the end of the 21-23 biennium.
<b>Long-Term Outcome</b>	By the 2024 school year, BWA will work to increase our math growth to 48%. Baker Early College will push to increase our math performance to 70%.
<b>Goal #3</b>	Baker Early College does not have a Goal 3, just BWA. BWA Goal 3- 9th grade on track.
<b>Short-Term Outcome</b>	Baker Web Academy will work to increase our 9th-grade on-track rate to 73% by the end of the 2023 school year.
<b>Long-Term Outcome</b>	The long-range goal of BWA will be to increase our 9th-grade on-track rate to 84% which is Level 3.
<b>Dropout Prevention Activity #1</b>	BWA will engage in dropout efforts. Our focus will include multiple efforts including but not limited to live math, the REACH program, and our SSP program, specifically focusing on students with disabilities and students with English as a second language. BWA 21/22 total- \$409,188. BEC will continue our SSP program for struggling students. BEC 21/22 total- \$120,768. Both schools will increase allocations by 1% for 22/23 and remain at that level for 23/24 and then add 1% for 24/25.
