

High School Success Plan
2021-2023

Lead Organization **Coos Bay School District**

Goal #1	The district-wide graduation rate will increase.
Short-Term Outcome	<ol style="list-style-type: none"> 1. MHS will continue on the path toward becoming AVID certified. MJRH will be a AVID school. 2. MHS will implement a 9th grade on track advisory team which includes the grad coach, assistant principal, counselors, attendance advocate, and 9th grade teachers. The group will meet and share data at least monthly.
Long-Term Outcome	<ol style="list-style-type: none"> 1. The district graduation rate trend line will continue to approach or exceed the state average. 2. MJRH will be a AVID school.
Goal #2	The district will increase its ability to offer a well rounded education.
Short-Term Outcome	<ol style="list-style-type: none"> 1. The district will continue to increase opportunities for CTE, 2+2, expanded options, PE, music and art courses. 2. The district will continue to engage focal groups through SCESD Cafes and through the use of our tribal liaison, ELL teachers, special programs director, grad coaches, and district attendance advocate.
Long-Term Outcome	The district graduation rate trend line will continue to approach or exceed the state average.
Dropout Prevention Activity #1	Provide immediate credit recovery for failed core classes through Edgenuity. Continue to implement a proficiency system where students complete learning objectives without repeating demonstrated understanding. Provide an online option for students who request this learning modality.
Goal(s) this activity addresses	Goal 1 , Goal 2
Dropout Prevention Activity #2	Continue to use graduation coaches and attendance advocates to target students who are at risk of not graduating and to screen incoming students, especially those who transition during the year.
Dropout Prevention Activity #3	Implement AVID Elective and Schoolwide.
Dropout Prevention Activity #4	Hire an additional FTE for math instruction to lower class size and provide additional support to students. Our math achievement data shows a need for us to address this area as math success is most associated with our student graduation rate.
Dropout Prevention Activity #5	Provide professional development for social emotional support.
Dropout Prevention Activity #6	Hire an additional FTE for math instruction to lower class size and provide additional support to students. Our math achievement data shows a need for us to address this area as math success is most associated with our student graduation rate.

Lead Organization **Coos Bay School District**
