EDUCATION

Lead Organization **Molalla River School District**

Goal #1	All students will enter their 10th grade year on-track for graduation.
Short-Term Outcome	Through leadership of our Student Success Coach, the 9th grade success team will continue to meet regularly to identify students in need of support, design and implement interventions, and engage all stakeholders in the success of our 9th grade students.
Long-Term Outcome	Molalla High School will strive for a goal of every student starting their 10th grade year having earned at least 25% of total credits required for graduation.
Goal #2	Maintain current programming and expand opportunities for students to engage in advanced coursework and gain career related learning opportunities.
Short-Term Outcome	Staff will continue to enhance current offerings in advanced coursework and CTE programming and will promote new opportunities for a wider range of students to engage in these course offerings.
Long-Term Outcome	Molalla High School will increase the number of students successfully completing advanced coursework and CTE courses will increase by 20% with the largest increases seen in focal student groups.
Goal #3	Increase support structures for all students to remove barriers to on-time graduation.
Short-Term Outcome	Staff will continue the work of identifying barriers to student success and will intentionally build support structures that minimize these barriers for all students with particular attention to identified focal student groups.
Long-Term Outcome	Molalla High School will consistently have an on-time graduation rate of over 92% for all students while closing the graduation gap for identified focal student groups.
