

High School Success Plan
2021-2023

Lead Organization	Monument School District
Goal #1	Monument School will continue to develop and maintain CTE course offerings for students while also removing any barriers that may prevent students from participating in CTE classes.
Short-Term Outcome	Monument School will work to develop and implement advanced placement courses within the CTE program to bridge the gap of the lack of vocational pathway students engaged in advanced placement coursework.
Long-Term Outcome	50% of Monument School focal group students will be engaged in advanced placement coursework.
Goal #2	Monument School will maintain a teacher success team that will monitor our students and implement measures to ensure a 100% graduation rate.
Short-Term Outcome	Monument School teachers will develop a student educational program where students create their own educational portfolio, which helps students explore post-secondary plans.
Long-Term Outcome	Students in our focal groups, as well as all other students, will have a working portfolio that will document their high school achievements and post-secondary plans.
Goal #3	Monument School will utilize a counselor to meet students' social and emotional needs to aide in dropout prevention.
Short-Term Outcome	Continue to utilize Community Counseling Solutions to provide a counselor to meet the needs of our students.
Long-Term Outcome	All Monument School students have their social and emotional needs met.
Dropout Prevention Activity #1	Monument School will utilize a counselor from Community Counseling Solutions to meet students' social and emotional needs to aide in dropout prevention.
Goal(s) this activity addresses	Goal 3
Dropout Prevention Activity #2	Monument School teachers will develop a student educational program where as students create their own educational portfolio, which also helps, students explore post-secondary plans while utilizing YouScience for middle school students and 9th graders.
Goal(s) this activity addresses	Goal 2
College Level Opportunities Activity #1	Monument School students will be engaged in advanced level coursework. Work to provide more opportunities to our focal student groups.
Goal(s) this activity addresses	Goal 1

**Career Technical
Education Activity
#1**

As part of the CTE program, we will strengthen it with Paxton Patterson Construction units and the use of iCEV. We will educate parents and community members about CTE and the importance of the program; this will include a CTE open house that highlights student's projects. ~ iCEV online curriculum ~ Develop partnerships and networking ~ Open house expenses ~ Supplies for the construction and welding units ~ Professional certifications

**Goal(s) this activity
addresses**

Goal 1
