

*High School Success Plan
2021-2023*

Lead Organization **North Douglas School District**

Goal #1	90% of students will be on-track toward graduation after completing 9th grade. Our baseline data is 85% (2018-19)
Short-Term Outcome	Our ninth grade success team will meet on a regular basis to review and analyze disaggregated student data from the Oregon Data Suite to identify areas where additional supports are needed. This includes developing a system to engage the the student and the student's support system in the development and review of the student's Educational Plan and Profile.
Long-Term Outcome	The overall 9th grade on-track rate of students will increase by 5%
Goal #2	Students will document and track post-secondary plans following graduation and will move along a deliberate path through school toward their preferred next steps in college or career.
Short-Term Outcome	Staff will review and analyze disaggregated student data from the Oregon Data Suite to identify potential gaps in participation of advanced courses.
Long-Term Outcome	The overall rate of participation for all students in advanced courses will increase by 5% Baseline: 59% of all students are engaged in advanced learning.
Dropout Prevention Activity #1	Staffing for 1) Study Hall for students to work independently or receive academic support throughout the school day. 2) Monitoring and engaging with our students who a receiving the educational services online (Warrior Academy)
Goal(s) this activity addresses	Goal 1 , Goal 2
Dropout Prevention Activity #2	Dean of Students, responsibility is to work with 7th - 12th grade students and support group (families etc.) to determine the cause and help resolve chronic absenteeism, increase student engagement, develop educational plans and profiles and thus reduce our drop-out rate. Additionally, The Dean will have an opportunity to to council students 7th grade and up to strive for advanced coursework. This activity includes the high school portion of the cost for the Oregon Data Suite which will provide us with consolidated disaggregated data source to identify school wide resource needs and potential gaps in participation in advanced courses.
Goal(s) this activity addresses	Goal 1 , Goal 2
Dropout Prevention Activity #3	The district will provide high school students additional academic supports through a blended learning intervention to meet each student's individual needs. This Summer Learning opportunity is intended to; 1) Support unfinished learning and learning loss this summer 2) Keep students engaged and on track to graduate.
Goal(s) this activity addresses	Goal 1 , Goal 2

Lead Organization **North Douglas School District**
