

High School Success Plan
2021-2023

Lead Organization **North Wasco County School District**

| | |
|--|---|
| Goal #1 | 100% of all students will complete at least one credit in CTE coursework or one credit in a college level or Advanced Placement course before exiting high school. |
| Short-Term Outcome | Counseling and instructional staff encourage students to forecast in either or both a CTE and advanced course. Additional CTE opportunities will be created for students with HSS funding. In addition, AP fee waivers allow nearly all students to take the AP exams free of charge. |
| Long-Term Outcome | Student enrollment in advanced coursework and career and technical courses will rise by 25% with the largest increases seen in focal student groups identified in the district needs assessment. |
| Goal #2 | Less than 10% of 9th grade students will fail Algebra 1. |
| Short-Term Outcome | The math department will establish a 3-term algebra course that most incoming 9th graders take. |
| Long-Term Outcome | The percentage of students failing Algebra 1 will decrease by 10% each year. |
| Goal #3 | All students will be connected to at least one sport, activity or club during high school. |
| Short-Term Outcome | Counseling and instructional staff encourage students to be involved in at least one activity outside of academics. Additional opportunities will be created for students with HSS funding. Baseline data will be gathered using data from the 2020 school year. |
| Long-Term Outcome | Beginning with the 2022 school year, student involvement with sports, activities or clubs will increase by 10% each year. |
