[BEC interns recognized at White House](#)

Congratulations BEC interns Valerie Ding and Elizabeth Zhao, recognized at White House for outstanding contributions to STEM research!

[Interns ought to be paid](#)

Read all about it in the Hillsboro Tribune! Paid interns are the way to go. BEC has placed more than 4,500 students in paid, full-service internships.

We make learning real by:

- **Connecting** the classroom and workplace with hands-on, innovative learning experiences for students and teachers
- **Creating and leading** working partnerships with business and education
- **Advocating** for quality education in Oregon

Yes, I want to help the BEC by:

- Transforming K-12 education to accelerate student achievement
- Generating excitement for the careers made possible for students who excel in science and math
- Engaging students in practical workplace experiences to prepare them for future careers
