

One of the deliverables for reimbursement of the dyslexia training is for each trained teacher to participate in a community of educators dedicated to supporting students with dyslexia by joining the Dyslexia Group on the Oregon Educator Network (OEN). Please have each teacher:

- [Create an account](#) or [log in to their existing account](#) on the OEN.
- Request membership in the [Dyslexia Group](#) (click this link or search “dyslexia” on the Groups page). Click the group then click the “request membership” link.
- Once the teacher has been accepted into the group, he/she will need to introduce himself/herself through the “Welcome to the Dyslexia Group” thread on the Discussions board.
