PROPOSED/AMENDED RULE SUMMARY: Minor changes are necessary to the definition of “sheltered workshop” in OAR 581-015-2000, in order to more fully align this definition with the definition as used by the Department of Human Services, for further clarity and consistency. Also, one additional citation is needed for OAR 581-015-2245 to further align the ODE Administrative Rules in this area to the rules that were promulgated by the Department of Human Services- Office of Employment, pursuant to Executive Order 13-04.

BACKGROUND:

- The ODE created administrative rules which were adopted last fall, pursuant to Executive Ordre 13-04, which address employment services for transition aged students.
- The ODE created necessary rules and definitions to comply with this Executive Order.
- The Department of Human Servcies (DHS) also had a number of rules to inact pursuant to Executive Order No.13-04.
- DHS has now adopted OAR 407-025-0010(16) which defines the term “sheltered workshop” in a similar but slightly differner manner than the definition that is currently found at OAR 581-015-2000(33). Due to the coordinated nature of activities and servcies from both DHS and ODE for transition aged students, consistency in this term is necessary.
- The ODE accordingly, rewrote the definition of OAR 581-015-2000(33) to futher align with the definition as found in the Executive Order 13-04 and the corresponding DHS definition.
- ODE also added a cross reference to the DHS definition in OAR 581-015-2245 to ensure consistency and interagency alignment.
- ODE is requesting temporary rules to be adopted prior to the beginning of the school year as there is a need to have uniformity for special education students at the beginning of the school year and not potentially disrupt their services mid-year.

ISSUES/CONCERNS THAT SURFACED DURING RULE WORK The draft rules were first sent to the State Advisory Counsel for Special Education (SACSE) and the Dispute Resolution advisory committee (DRC) for commentary during the public commentary period in order to see if any issues arise. No negative comments were received for the rules. Since this time, DHS has adopted their own rules and defintitions. As noted above, minor changes are now needed to the ODE rules for furhter alignment with the Executive Order 13-04 and the DHS rules.
