OREGON  
DEPARTMENT OF  
EDUCATION

*Oregon achieves... together!*

Is special education or early childhood education something you care about?

Do you wish to influence changes?

**Come join the State Interagency Coordinating Council (SICC)!**

We are actively recruiting new community members statewide to improve the quality of life for young children who experience disabilities.

Our council advises state agencies on the unmet needs of students experiencing disabilities in Early Intervention/Early Childhood Special Education. Our council includes parents, people experiencing disabilities, educators, partner agencies, and community members.

Meetings are virtual or hybrid option.
