Last SICC meeting Friday, 5/16/25 - Kevin will be unable to attend due to other commitments. Laura is ready to serve, but may have an unpredictable schedule. If quorum is met, the meeting will continue (ok to do per bylaws and Mandy will confirm).

The Vice Chair position is vital to fill.

11:05 Membership Update:

- Welcome Christina! Our newest (parent) member, possible exec team interest
 - Les, Patty and Mandy will reach out to Christina
- Goodbye to Amanda Mercer - formal notice submitted
- We still continue to recruit for the 0-3 parent membership position and for Tribal representatives

11:10 Updates:

- Bylaw review input group request- Could we do a small group to work on these with me and then present the additions back to SICC for our May meeting for a final approval?
 - Who on the exec team could fill in when absences occur for Chair and Vice Chair? Does SICC want more structure on this? It is less structured in bylaws to allow flexibility.
 - Judy sees nothing in by-laws that would prevent this
 - No objections to leaving less structured to allow flexibility
 - Bylaws were approved
 - Judy and Mandy will address reimbursement portion together
 - June 30th deadline and posted on SICC website
- [Public meeting law checklist](#)-Oregon Government Ethics Commission If you have any additional questions, please email the training team at training@ogec.oregon.gov or call us at (503)-378-5105.

- **WA SICC Agenda Thoughts**
 - Mandy is working with Erenae (sp) from WA State SICC. Please consider including parent time and public comment X2
 - Looking at the calendar for next year- Do we need to make our meetings go until 2PM for LICC/Parent or public comment additions?
 - 30 additional minutes would be added for LICC/Parent Time and/or public comment being allowed twice during the meeting
 - Additional meeting to review & discuss forthcoming.
- **Summer Retreat?**
 - Agenda LICC's
 - Website
 - Partnerships with our Hub-Manuals? Do we want to talk about what, why or how? We all want to create an inclusive place where voices are heard and we are supporting each other. Also a tool that assists and welcomes all.
 - LICC spotlight at SICC-what is going well and where are learnings happening?
 - Ramonda and OESO vision?
 - Goals
 - Shared agreements

Please make sure you add enough info for the exec team to make a decision and understand what you are wanting to share, if it would be easier to come to the exec team planning meeting to discuss your topic, still add it here and then join our meeting from the link on the SICC dashboard calendar!

Agenda Item Request:

- Legislative updates (Ely Sanders or Kara Williams)
- Screening Guide Book from Multnomah Early Childhood Program-Kevin Anderson (moved from the March agenda and will add to the May agenda)

- Submission of Final APR-data highlights (Meredith V.)

- The topics below are from the survey at the SICC meetings the input is from Jan 2025-March 2025. What topics would you like to see in the future?

Raise Up Oregon implementation

Ongoing updates about the Every Child Belongs/Exclusion/Expulsion/IECMHC efforts statewide and how SICC work can be woven into that.

cross system opportunities are always of interest

TSPC coordination on licensure, partnership with related service professional preparation coordination, link between contractors, FACT Oregon and networks, timeline for getting LICC info on the main website0

Medicaid in Schools and how SICC can weigh in and support, and perhaps a focus on how medicaid in schools may change for families at the transition to kinder so they can be prepared for permission etc.

It's certainly within the interest of the Early Learning Council to center or have standing agenda items related to the RUO strategies listed in the Governor's report.

Service quality, AEPS-3, provider qualifications - evidence of service quality by qualification, Child Find and partnership with OHA

More on the HMG 3802 and HG2682, and SB 953, and to continue discussion on "Every Child Belongs"

I'd like to hear more public testimony, or at least how we as members can solicit or elicit more connections to families. It could be through the LICC data as well

Continuation of the **Every Child Belongs** as systems shift and more information is acquired.

Medicaid in Schools and how SICC can weigh in and support

Continued updates on **Every Child Belongs** and statewide IECMH efforts.
