Oregon Attendance Advisory Committee

November 18

From Learning to Policy Recommendations

Meeting Purpose
Continue translating AAC's learning and discussion into potential policy recommendations for the State Board of Education (SBE).

Outcomes

By the end of the meeting, AAC will:

- Identify the **policy areas where the committee believes change is needed**.
- Develop a preliminary set of **policy directions** for further refinement.
- Identify questions or perspectives AAC still needs before making recommendations to SBE.
