

2021-2022 Afterschool Wellness Awards

The Oregon Department of Education, the Nutrition Council of Oregon, the Oregon Dairy and Nutrition Council, and Oregon Afterschool for Kids (OregonASK) are teaming up to reward two exemplary Afterschool Programs for creating and sustaining a culture of wellness for youth and staff. Each program selected will receive statewide recognition, a personalized plaque and a custom banner, as well as a \$1,000 award to be used to further nutrition, physical activity and/or other wellness efforts within their program. Since this is an award and not a grant there are no reporting requirements if your organization is selected as a winner.

Research supports the important link between health and academic achievement. Afterschool programs that implement healthy eating and physical activity (HEPA) guidelines and align with local school wellness policies create healthier environments for students and staff. Implementation of HEPA guidelines and wellness policies can look different within each afterschool program, and the Afterschool Wellness Award application is a great place to showcase what your program is doing!

Congratulations to last years School Wellness Award Winners!

- o Boys & Girls Club of Albany
- o Eugene Family YMCA

Information about required documents and a pdf version of the application are available on the ODE CNP School Wellness Webpage at <https://www.oregon.gov/ode/students-and-family/childnutrition/SNP/Pages/OregonSchoolWellness.aspx>

Wellness efforts continue to look different, highlight your efforts by applying today!

Application Instructions

If you believe your Afterschool Program deserves to be recognized for the healthy, active environment it has established, complete the following application and submit it, with the required supporting documents, by January 31, 2022.

Use each question to describe your Afterschool Program progress in implementing and/or exceeding your organizations wellness policy or guidelines over the last 18 months and highlight what makes your program shine!

.....
Assemble a team of wellness champions, including your Food Programs Coordinator/School District Nutrition Director if applicable, to help complete this application. The best applications are completed with collaboration and data from program staff and school community members.

Before starting your application, check to make sure you meet the minimum qualifications and gather the required supplemental items listed below.

Minimum Qualification:

- o Programs must participate in the Child and Adult Care Food Program (CACFP) Afterschool Program to apply.

The following is required with your application:

- o Wellness Policy

Optional materials:

- o A roster of wellness committee members

Blue Ribbon Panel Application Scoring Rubric:

- o Question 23: 75 points
- o Question 24: 5 points
- o Question 25: 5 points
- o Question 26: 15 points

Winning Afterschool Programs serve as examples for others across the state. Wellness work should inspire and be replicable for other programs in Oregon.

Visit ODE's Wellness Webpage at <https://www.oregon.gov/ode/students-and-family/childnutrition/SNP/Pages/OregonSchoolWellness.aspx> for more information about local wellness policies, school food and physical activity resources best-practices, and funding opportunities.

For additional guidance, including award rules, required materials, and the selection process, please contact Michelle Lincoln at (503) 947-5889 or michelle.lincoln@ode.state.or.us

The WSCC model is student-centered and emphasizes the role of the community in supporting the school, the connections between health and academic achievement and the importance of evidence-based school policies and practices.
