2) Select your state and distributor(s). You can select "No Distributor (Shows All Products)" for distributor if you are unsure who will win your bid.

3) Plan your menu based on products and distributor product availability.

4) Calculations are made showing commodity pounds used and dollars saved.

5) Submit your plan to Schwan's using the "Send to Schwan's" button.

Why Divert Commodities to Schwan's?

Schwan's is the industry leader nationally in the processing of commodity mozzarella cheese.

Dependent on your state, Schwan's can process up to four commodities: mozzarella, flour, tomato, and chicken.
