Feedback

April 4, 2017

1. What was one thing you feel was accomplished today?
 - Update on HB 3499
 - Clarity around the scope and focus of the group
 - Set the tone for the year
 - Discussed data
 - Community; charter
 - We gathered a specific goal that we can realistically work on
2. Are there any questions you still have?
 - More about how school districts were targeted
 - I want to understand a little more about the fiscal report; SB 1564
 - Scope and sequence of future meetings
 - Look forward to the charter of the district
3. Are there any agenda items or anything you would like to see at the next meeting?
 - We need to see more data on HB 3499
 - Transformation and target updates and more on their plans and progress
 - Monitoring
 - Finalize purpose and identity outcomes
 - Some of the results of the goals we set in the meeting
4. Do you have any suggestions for how today's meeting could have been improved?
 - Providing more explanation on the laws/legislature that may impact HB 3499 in the future
 - Additional time
 - All good
 - Please extend the future meetings
 - The norms development was too long
5. Other comments...
 - Good job!
 - Nice work on facilitation
 - Great content, I wish we had more time!
 - Thank you for spending some time on ESSA
 - We need more parents and to make meetings more public
 - Great work, I know this work can be challenging and I appreciate your passion!
