District and School Improvement
Administrative Rules
Questions for Discussion**

1. The draft rules identify four purposes for the improvement program.
 - a. Are these the correct purposes?
2. HB 3499 uses the term “target” districts but does not assign a term to describe the other districts. The draft rules use the term “focus” school districts. Is this the correct term?
3. The draft rules require that both types of districts must have 20 or more ELLs and cannot have been identified as in need of improvement in another state or federal program. Are these the correct minimum eligibility criteria?
4. The draft rules list specific data to be used for Focus and Target district selection. Is this the correct list of data?
5. The draft rules list demographic data to be used for Focus and Target district selection. Is this the correct list of data?
6. The draft rules list specific judgment types of factors to be used to adjust the list? Any other factors the list of districts should be adjusted by?
