LGBTQ2SIA+ Inclusive Instructional Materials Examples

This document outlines LGBTQ2SIA+ inclusive instructional materials examples for districts to consider when reviewing materials for adoption or for supplemental use, across all content areas. The statewide [LGBTQ2SIA+ Student Success Plan](#), which was adopted by the Oregon State Board of Education, recommends an Inclusive Curriculum objective that asserts, “students experience LGBTQ2SIA+ inclusive, affirming, and culturally sustaining curriculum and pedagogy across grades and subjects” (*Student Success Plan Domain 2, Objective 2, Strategy 1, Action 1a-b*). To learn more about instructional materials or content area supports, please visit the [Instructional Materials webpage](#) and the [Standards and Instruction webpage](#).

Materials examples are included below, sorted by content area:

- [Oregon Open Learning](#)
- [Social Emotional Learning](#)
- [Library & Media Education](#)
- [Physical Education](#)
- [The Arts](#)
- [Social Sciences](#)
- [English Language Arts](#)
- [Science](#)
- [Health & Sexuality Education](#)
- [Mathematics](#)

Oregon Open Learning

All Content Areas Resource	Grade Band	Description
Oregon Open Learning Hub , Open Educator Resources (OER) Commons	K-12	Oregon's K-12 open educational resource (OER) repository.

Learn more at the ODE [Oregon Open Learning](#) page on ODE’s website.

Library & Media Education

Library & Media Education Resource	Grade Band	Description
International Literacy Association, Creating Inclusive Classrooms by Curating LGBTQ-Friendly Libraries	6-12	Article discussing the importance of diversifying classroom libraries to include LGBTQ-friendly titles; includes book recommendations.

Library & Media Education Resource	Grade Band	Description
National Council of Teachers of English, The Students' Right to Read	K-12	Position statement that highlights resources available to help ensure students have free, unlimited access to texts.
National Council of Teachers of English, Statement on Academic Freedom	K-12	Position statement and resources to protect and maintain educators' intellectual freedom for text selections in their classrooms.
National Council of Teachers of English, Media Education in English Language Arts	K-12	This position statement provides an exploration of three key themes in media education in the ELA classroom and provides resources to support.
Oregon Department of Education, Addressing Challenged Materials in K-12 Education , 2023	K-12	Guidance to School Districts about legal considerations and best practices for addressing challenges to K-12 library materials and books.

For more information on Oregon School Library standards, please visit the [Library and Media Education](#) page on ODE's website.

The Arts

The Arts Resource	Grade Band	Description
Teach Rock, The Rise of Disco Teach Rock, "Y'all Better Quiet Down": Black and Latinx LGBTQ+ Pioneers	6-12	Lessons and media for exploring the rise of Disco in the 1970s, its enormous cultural impact on the American audience, and how Disco was born out of urban gay culture in New York City as well as connections to R&B and Funk.

For more information on education standards, please visit the [The Arts](#) page on ODE's website.

English Language Arts

English Language Arts Resource	Grade Band	Description
Multnomah County Library,	Varies	Booklists curated by the Multnomah County Library

English Language Arts Resource	Grade Band	Description
LGBTQ2SIA+ Reading Lists		staff, centered around various LGBTQ2SIA+ gender identities, sexual, and romantic orientations.
Welcoming Schools, Elementary , Secondary , and Educator & Caregivers booklists	K-12 Educator	Welcoming Schools book lists are designed to help educators create classrooms, libraries and schools that are affirming of LGBTQ2SIA+ students, families and staff with high quality literature.
National Council of Teachers in English (NCTE), Guidelines for Affirming Gender Diversity through ELA Curriculum and Pedagogy	Educator	Guidelines for Affirming Gender Diversity through ELA Curriculum and Pedagogy (2020) provides a rationale, recommendations, and resources for the representation and study of gender diversity within English language arts curricula. This history clarifies that understandings of and language around gender and its representation are continually changing.
National Council of Teachers in English (NCTE), Position Statements on Gender and Language and The Students' Right to Read	Educator	NCTE and its constituent groups have developed position statements on a variety of education issues vital to the teaching and learning of English language arts. These two may be particularly relevant to supporting LGBTQ2SIA+ students.
Welcoming Schools, Lesson Plans to Create LGBTQ Inclusive Classrooms and Schools	K-8	Welcoming Schools teacher-friendly lesson plans are designed to help educators create classrooms and schools that are affirming of all students and their families. A key focus of Welcoming Schools is to provide comprehensive resources for educators to teach about LGBTQ2SIA+ people and topics to foster equity and belonging in schools.

Social Sciences

Social Sciences Resource	Grade Band	Description
<p>The Oregon Historical Society, Gay and Lesbian Archives of the Pacific Northwest Oral Histories & Collection</p>	Varies	<p>The Gay and Lesbian Archives of the Pacific Northwest (GLAPN) was established in Portland, Oregon, by Tom Cook in the early 1990s. Since then the organization has collected archival materials and oral histories from organizations and individuals active in lesbian and gay issues in the Portland area and throughout the Pacific Northwest. Many of these oral histories were gathered by Portland State University students, from the late 90s to present.</p>
<p>Gay and Lesbian Archives of the Pacific Northwest, LGBTQ History Oregon Gay History Timeline 1806-1969 & 1970-Present, Oregon Trans Timeline, and Oregon LGBTQ Youth Timeline</p>	Varies	<p>The Gay and Lesbian Archives of the Pacific Northwest (GLAPN) houses a number of timelines related to Oregon history of people with transgender and LGBTQ2SIA+ identities.</p>
<p>Basic Rights Oregon, Our History and History of Oregon's Anti-Gay Legislation</p>	Varies	<p>This page offers a History of Oregon's Anti-Gay Legislation timeline, by Basic Rights Oregon, a 501(c)(4) organization, that was formed in 1996 out of community responses to anti-gay ballot measures that had plagued Oregon for more than 20 years.</p>
<p>PBS Independent Lens, A Map of Gender Diverse Cultures</p>	Varies	<p>On nearly every continent, and for all of recorded history, thriving cultures have recognized, revered, and integrated more than two genders. Worldwide, the sheer variety of gender expression is almost limitless. This map allows students and educators to learn how other cultures see gender diversity.</p>
<p>NYC Dept of Education, Hidden Voices: LGBTQ+ Stories in United States History</p>	4-12	<p><i>Hidden Voices: LGBTQ+ Stories in United States History</i> examines individuals who questioned and broke the normed expectations of gender and/or sexuality, and who were therefore often “hidden” from the traditional historical record.</p>
<p>NYC Dept of Education, Hidden Voices: LGBTQ+</p>	4-12	<p>The lessons in this collection synthesize content from the book <i>Hidden Voices: LGBTQ+ Stories in</i></p>

Social Sciences Resource	Grade Band	Description
Stories in United States History Lessons		<i>United States History</i> and provide models for teaching the profiles and Portraits of an Era found in the book.
Learning For Justice, Queer America	9-12	A podcast produced by Learning for Justice in partnership with University of Wisconsin Press, publishers of <i>Understanding and Teaching U.S. Lesbian, Gay, Bisexual, and Transgender History</i> . There is also a guide for Integrating Queer Voices into the Curriculum .
ONE Archives, Lesson Plans	6-12	The ONE Archives Foundation has partnered with the UCLA History-Geography Project to host Professional Learning Symposiums and provide LGBTQ2SIA+ history lesson plans for educators at no cost. The lesson plans comply with California's FAIR Education Act, which requires California K–12 schools to integrate fair, accurate, inclusive and respectful representations of the LGBTQ2SIA+ community and people with disabilities into their social studies and history classes.
Our Family Coalition and the One Archives Foundation, Teaching LGBTQ History	2-12	A guide written to support social studies teachers in California integrating LGBTQ2SIA+ content into their classes.
Digital Transgender Archive	Educator	The purpose of the Digital Transgender Archive (DTA) is to increase the accessibility of transgender history by providing an online hub for digitized historical materials, born-digital materials, and information on archival holdings throughout the world.
