

SB 13 Tribal History/Shared History

Monthly Update – April 2020

- Our hearts go out to all of you as we work through this challenging time in our state and world. We have all stepped into the unknown and have had to engage in flexibility and adaptability on a daily basis. In navigating these changes and discomforts, one can't help but think about and begin to relate to what our Indigenous ancestors endured throughout colonization. It allows for a whole new level of appreciation of their strength, courage, resiliency and staying power.
- These times elevate the need for a deep understanding of the SB 13 Tribal History/Shared History curriculum in our schools and thinking critically about what it means to view the world from an Indigenous perspective.
- We appreciate your patience and understanding as we undergo cancellations including the March 19th and April 29th SB 13 Tribal History/Shared History Train the Trainer events due to COVID-19. We will be in communication once a future training date(s) is selected.
- In the meantime, lessons are available on the ODE website. Updates to lessons have been *delayed* during this time, so we ask for your grace as we work with staff to load the revisions as time allows.

***News Alert:** Per the Governor's Executive Order 20-12, "Stay Home. Save Lives", the Oregon Department of Education staff will be telecommuting until further notice. Below is a link to the Oregon Department of Education's (ODE) COVID-19 website which includes a list of Frequently Asked Questions.
