

Literature Circle Process for Students

1. You will be put into groups of 4.
2. Once you're in your groups you will all need to **decide which role** each person will fill for the next meeting.
3. Make sure each person has the **correct role sheet** for which they've picked.
4. Make sure to **read the text** to be prepared for the next lit circle meeting.
5. When you're participating in your literature circles, **come prepared** with your role sheet filled out completely.
6. Be open to taking healthy risks to **share your comments and questions** with your group.
7. **Be respectful** to each person's point of view and their comments.
8. Allow for each person to **share their comments and questions and role sheets**.
9. As a group, **answer** the Critical Thinking questions for the section you have read.
10. At the end of the meeting **decide who will fill each role for the next meeting**. You must choose a new role than what you did before.
11. **Repeat** this step at the end of each meeting.
