

Name \_\_\_\_\_

## Math Around the Room Student Recording Sheet

Go around the room and solve each of the eight word problems. You don't have to go in order. Write the letter next to the correct answer on the box below to spell out the message. Choose two problems to fully explain your mathematical thinking in writing.

1	2	3	4	5	6	7	8
---	---	---	---	---	---	---	---

**Question # \_\_\_\_\_**

Explain how you found the solution:

**Question # \_\_\_\_\_**

Explain how you found the solution:
