Indian Parent Committee Information Requirement

- If you are an LEA or an LEA consortium, you must upload the Indian Parent Committee Application Approval, Indian Parent Committee Membership List and Indian Parent Committee Bylaws into the electronic application system portal before EASIE Part II closes.

I certify that, if required, the Indian Parent Committee (IPC) participated in the development of the application submitted and approves the proposed application. I have uploaded the IPC Information which includes IPC approval of the EASIE application and the IPC membership to verify composition. I have developed/will develop the IPC Bylaws within six months of receiving my award.

Section 3: Indian Parent Committee (IPC) Bylaws

Directions: Within six months of receiving the award, the LEA assures the IPC will adopt and abide by reasonable bylaws for the conduct of the activities of the committee. (ESEA Section 6114(c)(4)(D))

Tip

Bylaws creation should begin with both –

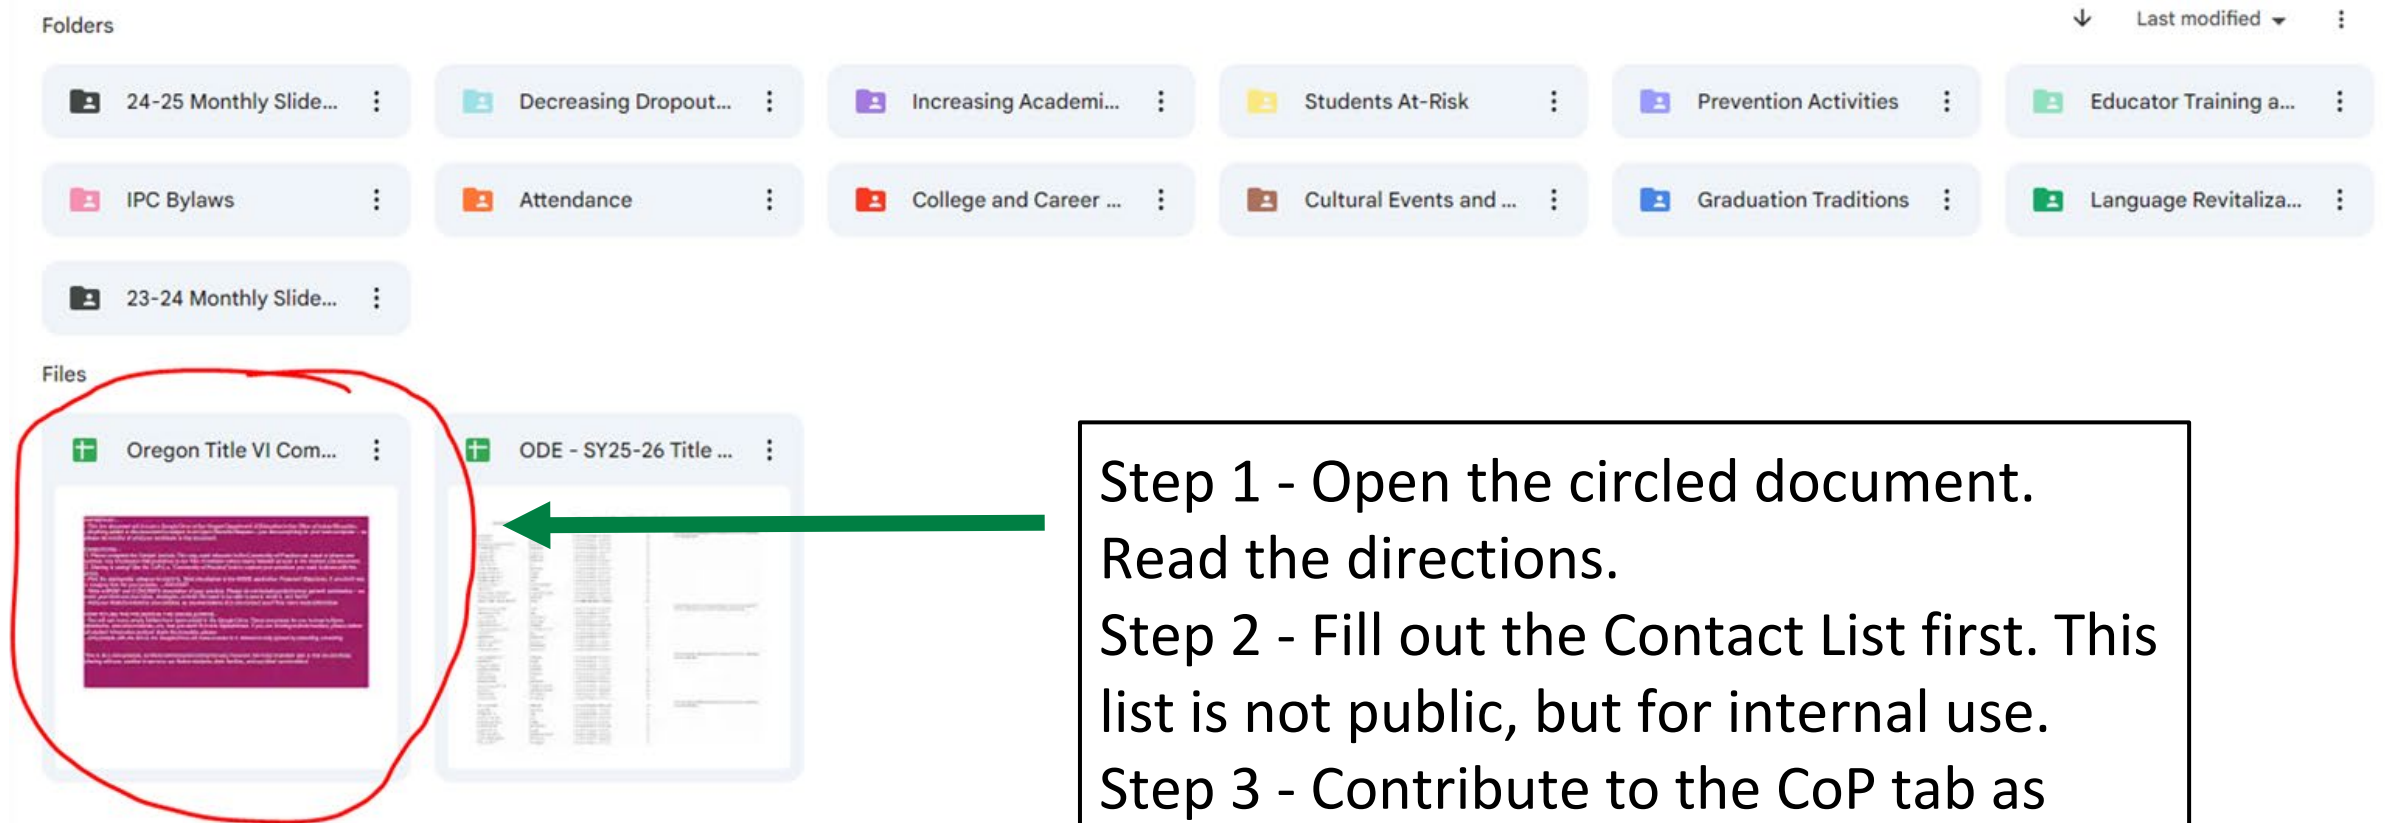

- Empowering all community members to share their voice on their experience in the school system, including how Title VI Indian Education can positively impact the educational experience of their child(ren), and
- a separate training where community members can learn about the Title VI legislation, including the roles and responsibilities of the IPC
