

Tribal Consultation Worksheet

This worksheet is designed to be completed separately before consultation occurs. An official from the LEA or LEA-C who will attend the Tribal Consultation should fill out this worksheet. A tribal representative or designee who will attend the Tribal Consultation on behalf of the tribe is invited to fill out this worksheet.

Name/contact information of each participant:

Local Education Agency or Consortium:	School Representative and Title who will Attend:	Tribal Representative(s) and their Title who will Attend:
---------------------------------------	--	---

- Review current MOUs or MOAs currently in place between LEA or LEA-C and the tribe(s)
- Review any current state or federal legislation related to Indian education applicable to this consultation

Share the importance of this Tribal Consultation for this specific application(s):

How does this specific application impact AI/AN and all tribally affiliated students directly and indirectly?

Articulate clarity on consultation goals:

What does a successful consultation look like for this application?

What is the district's or the tribe's commitment to this specific consultation process?

What concerns do you have about this process?

What data is pertinent to review and share out for this application? What input from the tribe is critical for this application?

Follow-up/Support Needed:

Do we need a meeting facilitator? Do you have someone in mind?

What logistics do you need support with?
