

# SEXUAL INCIDENT RESPONSE

## *Student of Concern Interview - Level 1 Protocol*

---

This interview is to be conducted by an administrator, school counselor or school social worker as a supplement to the Level 1 Assessment Protocol. Use the following questions through an interview or guided conversation with the student(s) of concern. Do NOT ask the student to read and complete the questions by themselves. Each question is a prompt for exploration of circumstances that may aid the team in providing supportive intervention and management strategies.

This form is a guiding document with questions to consider in your inquiry, but it is not an exhaustive list. Use your professional judgment to ask the questions most applicable to the current situation and investigation.

Consider your Mandatory Reporting obligations to DHS Child Welfare when conducting an investigation.
