

INSTRUCTIONAL MODELS

2020-21 SCHOOL YEAR

ON-SITE

Students Safely Learn In School

All students have access to in-person instruction in accordance with public health requirements.

HYBRID

Students Safely Learn In School and Away from School

Student groups have access to in-person instruction using staggered schedules and/or prioritizing certain grades, courses, and/or programs, in accordance with public health requirements. On-Site instruction is supplemented by Comprehensive Distance Learning.

COMPREHENSIVE DISTANCE LEARNING

Students Safely Learn Away from School

All students are engaged in learning through Comprehensive Distance Learning. Instruction occurs remotely with very limited exceptions for in-person supports.

RESPONSE TO OUTBREAK

Districts, schools, and programs need to flexibly plan to use multiple models throughout the school year to meet evolving health conditions. Even when the primary plan is through an On-Site or Hybrid learning model, Comprehensive Distance Learning will be required due to outbreaks that result in school closure. Every district will plan and prepare for CDL in order to ensure continuous service to students.
