

Sample Intersessional Calendar

A traditional academic calendar* with additional intersession weeks attached to Fall, Winter, and Spring Breaks allows for COVID interruption and recovery opportunities.

Benefits

- Provides larger breaks in winter in case of COVID-19 resurgence
- Ability to use breaks as remediation days if not needed for COVID-19
- Flexible use of intersessions gives greater capacity for mid-year adjustments

Key

-  All Students Attend
-  Scheduled Breaks
-  Unexpected School Closure
Originally Scheduled as "All Students Attend"
-  Added Instructional Weeks
Originally Scheduled as Breaks for Intersession

*School districts across Oregon have significant differences in how their traditional academic calendars are structured. This sample is provided as one representation of a traditional academic calendar transformed into an intersessional calendar. It is intended to provide a generalizable example of the concept for school districts to apply to their local context as appropriate but is not a required or preferred academic calendar.
