

The total number of expulsions for the above-described combined categories must meet or exceed one of the following rates per year:

- a. For a school with fewer than 300 enrolled students, nine expulsions.
- b. For a school with 300 or more enrolled students, three expulsions for every 100 enrolled students or fraction thereof. (3% of the enrolled student population)³

First Year: In the first year any school meets the criteria above, it must complete and submit a corrective action plan to ODE’s Office of Student Services. The plan must provide evidence that the school district is taking serious efforts toward correcting its circumstances and ensuring a safe school environment for its students, staff, and community.

The corrective action plan may include: a district safety plan, school-wide discipline plan, discipline data, school and community collaboration plan for school safety, and other information deemed necessary.

Second Year: Any school meeting the criteria above for a second consecutive year must evaluate and revise its year-one corrective action plan and submit the revised plan with evidence demonstrating it is making a serious effort to ensure a safe school environment for its students, staff, and community. The revised corrective action plan shall be filed with ODE’s Office of Student Services. A committee of school and ODE reviewers will assess the school’s revised corrective action plan. ODE will provide technical assistance and support as necessary.

Third Year: Any school meeting the state-defined criteria above for three consecutive years will be designated as “persistently dangerous.” Parents may exercise their right to have their child attend a public school within the local educational agency that is not designated as “persistently dangerous.” A revised corrective action plan must be filed with ODE. ODE will continue to provide technical assistance and support as necessary.

Individual Student Option (Victim of a Violent Criminal Offense):

Any student, while on the grounds of a public elementary school or secondary school that the student attends, who becomes a victim of a violent criminal offense must to the extent feasible, be allowed to transfer to another public school within the local educational agency.

³ For the purpose of this definition, expulsions will be counted per incident resulting in expulsion. For example, an incident involving multiple students will count as a single incident (count of 1) toward the school threshold even if multiple students are involved.

Definitions

Arrest – To place a person under actual or constructive restraint or to take a person into custody for the purpose of charging that person with an offense. A “stop” as authorized under ORS §§ 131.605 to 131.625 is not an arrest. (ORS § 133.005).

Dangerous Weapon – A weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of causing death or serious bodily injury, except that such a term does not include a pocket knife with a blade of less than 2½ inches in length. (18 U.S.C. § 930(g)(2).)

Disciplinary Removal – Suspension, expulsion, or other removal from school for disciplinary reasons, including removals for mental health examinations for students who threaten violence or harm in public schools under ORS 339.250(4)(b)(C). It does not include: (a) Removals by other agencies; (b) Removals for public health reasons (e.g., head lice, immunizations, communicable diseases, etc.); (c) In-school suspensions if the child continues to have access to the general curriculum and to special education and related services as describe in the child’s IEP, and continues to participate with children without disabilities to the extent they would in their current placement; or (d) Bus suspensions, unless the student’s IEP includes transportation as a related services, the district makes no alternative transportation arrangements for the student, and the student does not attend school as a result of the bus suspension. (OAR 581-015-2400(3).)

Controlled substance – A drug or its immediate precursor classified in Schedules I through V under the federal Controlled Substances Act, 21 U.S.C. §§ 811 to 812, as modified under ORS § 475.035. The use of the term “precursor” in this paragraph does not control and is not controlled by the use of the term “precursor” in ORS §§ 475.752 to 475.980. Does not mean industrial hemp, as defined in ORS § 571.300, or industrial hemp commodities or products. (ORS § 475.005(6)(a)-(b).)

Drug violation – The use, possession, sale or solicitation of drugs at school or a school function. (OAR 581-015-2425).

Expulsion – An action taken by a local educational agency to remove a child from his/her regular school for disciplinary purposes for a period lasting longer than the permitted out-of-school suspension period allowed by the local educational agency policy. The use of expulsion should be limited to the following circumstances: (1) conduct that poses a threat to the health or safety of students or school employees; (2) when other strategies to change student conduct have been ineffective, except expulsion may not be used to address truancy; or (3) when expulsion is required by law. (OAR 581-021-0070(1).) In addition, for students in fifth grade or lower, expulsion must be limited to the following circumstances: (i) non-accidental conduct causing serious physical harm to a student or school employee; and (ii) when a school administrator determines based upon school employee report or administrator observation, that a student’s conduct poses a direct threat to the health or safety of students or school employees. (OAR 581-021-0070(1)(d)(i)-(ii).) Each school district’s expulsion policy must be limited so that the duration of an expulsion may not be more than one calendar year. (ORS § 339.250(2)(f)(A).)

Firearm - (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any

such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device. Such term does not include an antique firearm. (18 U.S.C. § 921(a)(3)).

In-School Suspension – Instances when a child is temporarily removed from his/her regular classroom(s) for disciplinary purposes but remains under the direct supervision of school personnel. Direct supervision means school personnel are physically in the same location as the student under their supervision.

Interim Alternative Educational Setting (“IAES”) – An appropriate alternative educational setting where a student continues to receive instruction. For students receiving special education services, the child’s IEP team determines the IAES. (34 C.F.R. § 300.531). A child with an IEP receiving services in an IAES must continue to receive educational services so as to enable the child to continue to participate in the general education curriculum, and to progress toward meeting the goals set out in his/her IEP. (34 C.F.R. § 300.503(d)(1)(i).) Children receiving special education services may be placed in an IAES in the following scenarios: (1) Placement by school personnel for a violation of a code of conduct (not to exceed 10 days); (2) Placement by school personnel for “special circumstances” (no more than 45 school days) for (i) weapons possession at school; (ii) controlled substances possession at school; or (iii) infliction of serious bodily injury upon another at school; (3) Placement by a hearing officer because of substantial likelihood of injury to child or others. (34 C.F.R. § 300.530(b); 34 C.F.R. § 300.530(g); 34 C.F.R. § 300.532(b)(2)(ii); OAR 581-015-2425.)

Irregular Attendance – Unless exempt, all children between the ages of 6 and 18 years who have not completed the twelfth grade are required to regularly attend a public full-time school during the entire school term. (ORS § 339.010(1).) Eight unexcused one-half day absences in any four-week period during which the school is in session is considered irregular attendance. (ORS § 339.065.)

Manifestation Determination – A meeting composed of the school district, parent, and relevant IEP team members (as determined by the parent and the district) to determine whether the child’s behavior is a manifestation of the child’s disability. The assembled team must review all relevant information in the student’s file, including the child’s IEP, any teacher observations, and any relevant information provided by the parent to determine: (a) If the conduct in question was caused by, or had a direct and substantial relationship to, the child’s disability; or (b) If the conduct in question was the direct result of the school district’s failure to implement the IEP. (OAR 581-015-2420).

Out-of-School Suspension – Instances in which a child is temporarily removed from his/her regular school to another setting for disciplinary purposes that does not constitute an interim alternative educational setting. This includes both removals in which no IEP services are provided because the removal is 10 days or fewer, cumulatively, as well as disciplinary removals in which the child continues to receive services according to his/her IEP. Any removal for more than 50% of a scheduled school day is counted as a full day, and removal for half of the day or less is counted as a half day. (ORS § 339.250(10).)

Serious bodily injury – Bodily injury that involves a substantial risk of death, extreme physical pain, protracted and obvious disfigurement, or protracted loss or impairment of the function of a bodily member, organ or mental faculty. (18 U.S.C. § 1365(h)(3); OAR 581-015-2425(1)(c).)

Special Circumstances Removal – A student may be removed to an IAES for not more than 45 school days without regard to whether the student’s behavior is determined to be a manifestation of his/her disability when one of the following events is applicable at school, on school premises, or at a school function: (1) Student carries a weapon or possesses a weapon; (2) Student knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance; (3) Student has inflicted serious bodily injury upon another person. (34 C.F.R. § 300.530(g).)

Tobacco – Any lighted or unlighted cigarette, cigar, pipe, bidi, clove cigarette, and other smoking product, and spit tobacco, also known as smokeless dip, chew, and snuff, in any form. (OAR 581-021-0110(1).)

District Discipline Incident Identifier (Required)

This is an ID assigned by the district to uniquely identify each discipline incident. It consists of up to ten variable characters (numbers and/or letters) and is meaningful to the district. In most cases, the district’s local data system will determine the numbering sequence. If there are multiple students involved in one discipline incident, use the same District Incident ID for each student.

Example: A student from school 1294 is disciplined for fighting/mutual altercation (Offense Type 1700). It is the first fight/mutual altercation at that school during the school year. District Incident ID = 129417001A. The second incident for fighting/mutual altercation at school 1294 should use the Incident ID 129417001B, and so forth.

Primary Offense Type Code (Required)

Code describing the primary offense carried out by the student during the incident.

Discipline Modifier Code

This code describes special circumstances that may modify the disciplinary action taken.

This will only be used when a student has a weapon and is not expelled for a full school year (Discipline Modifier Code 1).⁴

Discipline Modifier	Not Applicable.....0	*
	Not Applicable.....0	
	Shortened Weapons Expulsion.....1	
	Removal By Administrative Law Judge...2	

The only other time the Discipline Modifier code will be used is if a student is removed by an Administrative Law Judge (Discipline Modifier Code 2). This situation is rare and is for special education students only. If Discipline Modifier Code 2 is selected, the special education flag must be marked “Y”.

An Administrative Law Judge (“ALJ”) is different from the officiant that conducts expulsion hearings. The only time an ALJ will order the removal of a student is when the student’s behavior will likely result in injury to themselves or others. (34 C.F.R. § 300.532(b)(2)(ii).)

Discipline Days

This field collects the number of school days associated with the disciplinary action taken. Any removal for more than half of a scheduled school day is counted as a full day, and removal for half of the day or less is counted as a half day. (ORS § 339.250(10).) This field contains an implied decimal point. When you view data in Excel, you will see extra digits (i.e., 229 days will show as 229.0).

Violent Criminal Offense Arrest Flag

Marking this flag “Y” must be used when a student is expelled as a result of the commission of a violent criminal offense on school grounds for which the student was arrested.

Discipline Incidents 17-18 Verification Report

The reports section has a number of tools for districts to use to verify that submitted records have been received and posted by the ODE. Review reports before July 2, 2018 to verify that all files have been submitted and are correct.

All districts (even districts with no student discipline incidents for the 2017-2018 school year) are required to complete the data verification process on the Consolidated Collections Status Tracking Screen.

Once discipline data is entered from all schools/programs, the district-level administrator will complete the following “Verify Submission” process.

1. Go to the Consolidated Collections Status Tracking screen and click on the black arrow next to the Discipline Incidents row to open the Verification Report window. The report will open as a separate block below the Consolidated Collections Status Tracking window.

2. Review submitted data to ensure accuracy for the school(s) and to ensure the data is error-free. Click the “Verify Submission” button on the upper-left after reviewing the data.

When the district-level administrator has completed these steps, it indicates to ODE that all discipline data for the district is submitted accurately. The district will have then completed its data submission.

Report Validation Window

The report validation period will occur between August 23, 2018 and September 17, 2018. Corrections can be made during this time.

Frequently Asked Questions

Q: How do I log into the district site?

A: The ODE District Webpage is located at <https://district.ode.state.or.us>. Your site security administrator must give you access and permissions to the Discipline Incidents Collection.

Q: Where do I find the Discipline Incidents Collection once I have logged into the site?

A: It is under Consolidated Collections – Student Collections.

Q: Where do I find the User Guide document for the Consolidated Collections?

A: See the Consolidated Collections Student-Level Collections User Guide at: <https://district.ode.state.or.us/search/page/?id=103>

Q: What is the best way to submit data for my district?

A: If your district has small schools, they may want to submit the data through ODE's web submission process. Larger schools and districts will likely prefer to use the file upload process.

Q: How do I submit online through the web submission process?

A:

- 1) Go into Consolidated Collections, Student Collections, Discipline Incidents 17-18;
- 2) Click on Data Submission, then on Web Submission;
- 3) Click on school district name;
- 4) Leave the other fields blank;
- 5) Click on All Students to select;
- 6) Click the green edit checkmark next to the student's name;
- 7) Enter required discipline fields and save.

Q: How do I upload files to the ODE after I have created them for the Discipline Incidents collection?

A: You can submit a file in .csv, .xml, or .zip format via the Department interface. To do so:

- 1) Go into Data Submission - File Upload.
- 2) Click on Browse and select the file you want to submit.
- 3) Click Upload.

You will then receive an email that indicates the total number of records that were transferred and the number that had errors. If any records had errors, it will be necessary to go through the error checking and clearing process until the data is error free.

Q: How do I know another district's Institution ID number?

A:

- 1) Go to the District webpage (<https://district.ode.state.or.us>);
- 2) Click on the link "Quick Links" at the top of the page;
- 3) Click on Institutions Lookup;

- 4) In the fifth entry field, ". . . School District . . ." enter the school district name;
- 5) Click Search for the listing of schools under your district.

Q: How can I see the successfully submitted records?

A: Go into the Discipline Incidents Collection and follow the steps below to view or print your current disciplinary records.

- 1) Open Student Collections-Discipline Incidents 17-18;
- 2) Click on Record Management, then on Production Download;
- 3) Select All Schools, and then click on CSV at the bottom of the screen to begin the download process; you will receive a message stating: '*The file you requested is being generated.*' You will receive an email notifying you when the file is ready to be retrieved. Wait for the message to appear in your email box, and then click on the link provided. You will then be asked to record your email address prior to downloading the file. Enter it in the box provided.
- 4) When the download icon appears, click on the icon and select "open" or "save". The file will be available for seven days after it is generated. After that time, it will be deleted.
- 5) When you do open the file, you will see the current records in your Disciplinary file which you can view or print.

Q: What are Demographic Errors?

A: Demographic errors occur when a district's student record does not match the record of the student ODE has on file for the same SSID number.

To determine the differences between the district file and ODE's, districts will need to review the following:

- 1) The error file from Review Errors; and
- 2) The ODE file from Record Management-Record Maintenance, so the district can compare the two more easily. (**Note:** Since this is sensitive data, please appropriately dispose of any printed copies upon completion.)

Open two internet browsers. In one browser, log into the district site and navigate to Review Errors. In the other browser, log into the district site and navigate to SSID, Record Management-Record Maintenance. This will assist in comparing the records. You can toggle between browsers without exiting Review Errors or SSID.

Once necessary corrections have been made in both SSID and the Error record, save the changes in both browsers, beginning with the record in SSID, Record Management, Record Maintenance.

Q: What do I do when I receive an error that indicates a student is merged to another SSID?

A: The cause of this error is an SSID has been duplicated and is being used to identify two different students. To fix this error:

- 1) Go into Consolidated Student Collections-Student Collections-SSID-Error-Management;
- 2) Choose 'Fix' for the record that indicates this error in 'Review Errors' to view that student's record;
- 3) Choose 'SSID Lookup' at the top of the page;
- 4) When the lookup page appears, choose 'Lookup';
- 5) Highlight the SSID and use CTRL-C to copy it, then close the SSID Lookup window;
- 6) Paste the new SSID in the SSID field on the student record;
- 7) Save the record.

Q: How do I do a Production Download?

A: Go into Consolidated Student Collections, Discipline Incidents 17-18,

- 1) Click on Record Management, then on Production Download;
- 2) Select "Y" to compress if it is a large file;
- 3) Click on CSV and you will receive a message stating: "The file you requested is being generated." You will receive an email notifying you when the file is ready to be retrieved. Wait for the message to appear in your email box, then click on the link provided. You will then be asked to record your email address prior to downloading the file.
- 4) Enter your email address in the box provided. When the download icon appears, click the icon and select "open" or "save".

Q: Will I need to enter suspension, expulsion, and removal incident days for a student who does not have an IEP?

A: Yes. Discipline incident information must be entered for all students.

Q: What is an administrative law judge?

A: An Administrative Law Judge ("ALJ") work through the Office of Administrative Hearings. "Removal by ALJ" is a rare occurrence. An ALJ for removal purposes differs from an officer who conducts district hearings for suspensions and/or expulsions.

Q: Do I need to enter data about a student's disability?

A: Yes. If the special education flag is marked "Y", then the primary disability code must contain a valid code from the drop-down menu.

Q: Do I need to enter the exact number of discipline days for an expulsion?

A: Yes. Discipline days are entered for all students (not just students with disabilities) and for all disciplinary actions—expulsions, suspensions, and removals. ODE reports the total number of discipline days to the federal government and uses them to calculate information for district Systems Performance Review & Improvement (SPR&I). Incident days are school days.

Q: How do we count discipline days for a student expelled for an entire school year for a firearms violation? Would it be 365 days?

A: No. For all disciplinary actions—expulsions, suspensions and removals—count only the

school days missed due to the discipline. For example, if a student is expelled for the year from a school that has 175 school days per year, then the student is expelled for 175 days.

Q: If multiple students are involved in one incident for which there are multiple expulsions and/or suspensions, does the incident only count once?

A: There should only be a single District Incident ID entered for a single discipline incident involving multiple students. But because this is a student-level collection, discipline entries must be entered for each student disciplined.

Q: What is the system default for the “Interim Service Flag”?

A: Default interim services flags will populate depending on the selected “Discipline Action Type.” “Removal to an Alternative Educational Setting” and “In-School Suspension” will populate a “Y” for Interim Services. For expulsions and out-of-school suspensions, a “Y” or “N” may be selected for interim services, as appropriate.

Q: How are students counted when their disciplinary action extends beyond June 30, 2018?

A: If a student is expelled, suspended, or removed during the current school year (2017-2018) but their discipline days extend past June 30, 2018, the discipline days are counted as part of the 2017-2018 collection. In other words, discipline days that carry into the 2018-2019 school year are accounted for in the 2017-2018 collection.

Q: Will the system allow me to enter half-day suspensions?

A: Yes. The File Upload and Web Submission permit entry of discipline days in amounts of half-days.

Q: When is the best time to complete my discipline incidents data report and submit it to ODE?

A: Districts/schools are required to have all Discipline Incidents data reported to ODE by the time the collection closes on July 2, 2018. Districts/schools are encouraged to start the reporting process when the collection opens on May 24, 2018 in order to correct any errors and verify that the data is correct before the collection closes. Please do not wait until the last week of June to start your reporting process as this could result in inaccurate and untimely data submission.

Q: My district has no discipline incidents data to report. Do I need to complete a report?

A: Yes. All districts must complete the discipline incidents data collection. The current Discipline Incidents Data Collection system has a verify button on the consolidated collection home page that all districts must use to validate they have submitted data.
