Tillamook State Forest
Off-Highway Vehicle Trail Map

The Tillamook State Forest offers some of the most fun and challenging Off Highway Vehicle (OHV) trails in the Pacific Northwest. The Browns Camp, Jordan Creek, and Diamond Mill OHV areas combine to provide more than 230 miles of riding opportunity through some of the most scenic areas of the forest. In addition to trails, OHV campgrounds and staging areas provide overnight and day use opportunities. Ride and drive responsibly and enjoy your visit to the Tillamook State Forest.

Browns Camp OHV Area - Easy to difficult trails open to motorcycles, quads, side by sides and 4WD

Jordan Creek OHV Area - Moderate to difficult trails open to motorcycles, quads, side by sides and 4WD

Diamond Mill OHV Area - Mostly difficult technical single track trails for motorcycle use

Changing Trail Conditions
Many of the Tillamook State Forest OHV trails are open year round. Trail conditions or difficulty levels may differ from what is shown on the map because of seasonal conditions. Individual trails may be closed at any time due to forest management operations, ongoing project work, fire danger, or to prevent trail damage. To help protect the trails please avoid using them during periods of heavy rainfall.
Check the trail signs, forest information boards, and the Tillamook State Forest website for trail information or for posted closures. www.oregon.gov/ODF/TillamookStateForest/pages/tillamooktrailreport.aspx.

How You Can Help
The Oregon Department of Forestry invites you to become involved in the Tillamook State Forest Off-Highway Vehicle Program. The ongoing commitment of dedicated volunteers helps to promote a positive image of responsible off-highway vehicle use and to ensure the future of the sport in the Tillamook State Forest. Contact us for more information.

State Forest Recreation Fund
The Oregon Department of Forestry has partnered with the non-profit Tillamook Forest Heritage Trust to make it possible for the public to make tax deductible donations to support State Forest OHV trails, facilities and volunteer opportunities through the State Forest Recreation Fund. For more info go to www.tillamookforesttrust.org/donate.

To report a fire, a crime, or an emergency CALL 911.

OPERATOR REQUIREMENTS AND ATV CLASSIFICATIONS

Off-Highway Vehicle (OHV) riding and driving are exciting and fun sports that come with a certain level of risk. The Oregon Department of Forestry requires that all OHV users follow state regulations and strongly encourage all riders and drivers to wear the proper protective equipment appropriate for their sport such as a helmet, goggles, gloves, chest protector, elbow pads, boots, and shin guards. Riders and drivers should operate responsibly using properly maintained and equipped vehicles.

Oregon has four classes of All-Terrain Vehicles (ATV) as defined below. The operator requirements for each class of ATV can be found online at the Oregon State Parks ATV Program website, posted on information books in the Tillamook State Forest OHV staging areas, or in the State Parks Oregon OHV Guide which is available in Tillamook State Forest District offices and at the Tillamook Forest Center.

Motorcycles – Class III ATV
- Travel on two tires and is actually being operated off-highway
- Side-by-sides - Class IV ATV
- Is 80 inches wide or less at its widest point
- Has a dry weight of 2,500 pounds or less
- Has nonremovable seating
- Has a steering wheel for steering control
- Travel on four or more pneumatic tires that are 6" or more in width and has wheels with a rim diameter 14" or less

Quads – Class I ATV
- For vehicles 50 inches wide or less
- Dry weight of 2,100 pounds or less
- Uses handlebars for steering
- Has a seat designed to be straddled
- Travel on tires that are 6" or more in width and has wheels with a rim diameter 14" or less

Four-Wheelers – Class II ATV
- Weights more than or is wider than a Class I ATV
- Is not a Class IV ATV
- Is actually being driven off road

ATV & Motorcycle Safety Courses

The Oregon ATV Program allocates money obtained from the sales of ATV permits and from a designated portion of state gas taxes through grants for ATV projects across Oregon. In the Tillamook State Forest, ATV funds are used to maintain and develop OHV staging areas, trails, and trail bridges and to purchase trail maintenance equipment. ATV grants also provide partial funding for law enforcement officers that patrol the forest.

Welcome
Tread Lightly! Protect Your Riding Opportunities
The Oregon Department of Forestry supports the Tread Lightly! Program and encourages OHV enthusiasts to follow the Tread Lightly! principles when using OHV trails in the Tillamook State Forest. The trails in the Tillamook State Forest are created and maintained for your use and enjoyment by local OHV clubs and the Oregon Department of Forestry. To protect the environment and enhance your riding experience, regulations governing OHV use on State Forest land have been adopted.

Travel responsibly
- Stay on designated trails. Don’t create side routes around obstacles.
- Respect trail designations and closures.

Respect the rights of others
- Share the trails. Be courteous when encountering others.
- Educate yourself
- Ride and drive within your ability. Know your limits. Know the regulations.

Avoid sensitive areas
- Stay out of creeks, streams, and other waterways.
- Don’t ride on road side cutbanks.

Do your part
- Pack out your garbage.
- Promote a positive image by following all rules and operation requirements.
- Maintain your equipment with required USFS approved spark arresters and at the maximum specified decibel level.
