Background

The Oregon Department of Forestry (ODF) is considering a potential Habitat Conservation Plan (HCP) and associated Incidental Take Permit for state forestlands west of the Cascade Range. ODF is currently underway with the HCP process, in collaboration with technical and policy guidance from other state and federal agencies. ODF is also seeking stakeholder engagement in this early phase of HCP consideration.

Meeting Purpose

- Present updates for the Western Oregon State Forests HCP, including a final draft of the Western Oregon HCP Mission, Vision, and Goals
- Present and discuss conceptual biological goals and objectives for species covered under the Western Oregon State Forests HCP
- Introduce upcoming topics including: Conservation Actions, Impact Mechanisms, Effects Analysis, and Timber Modeling
