

Forest Resources Division Training Strategy

Tim Cudmore

Training Program Coordinator

Goals & Objectives

Internal

- 2- Year training plan
 - Provide options to complete core training
 - Online training library
 - Online training sessions
 - In person and virtual trainings
 - Provide continuing education
 - Ensure compliance with FPA & HCP

External

- Provide training and educational material for landowners
- Provide landowners and operators with technical forestry assistance
- Provide additional assistance for Small Forestland Owners
- Create online educational video library
- Ensure compliance with the FPA and HCP

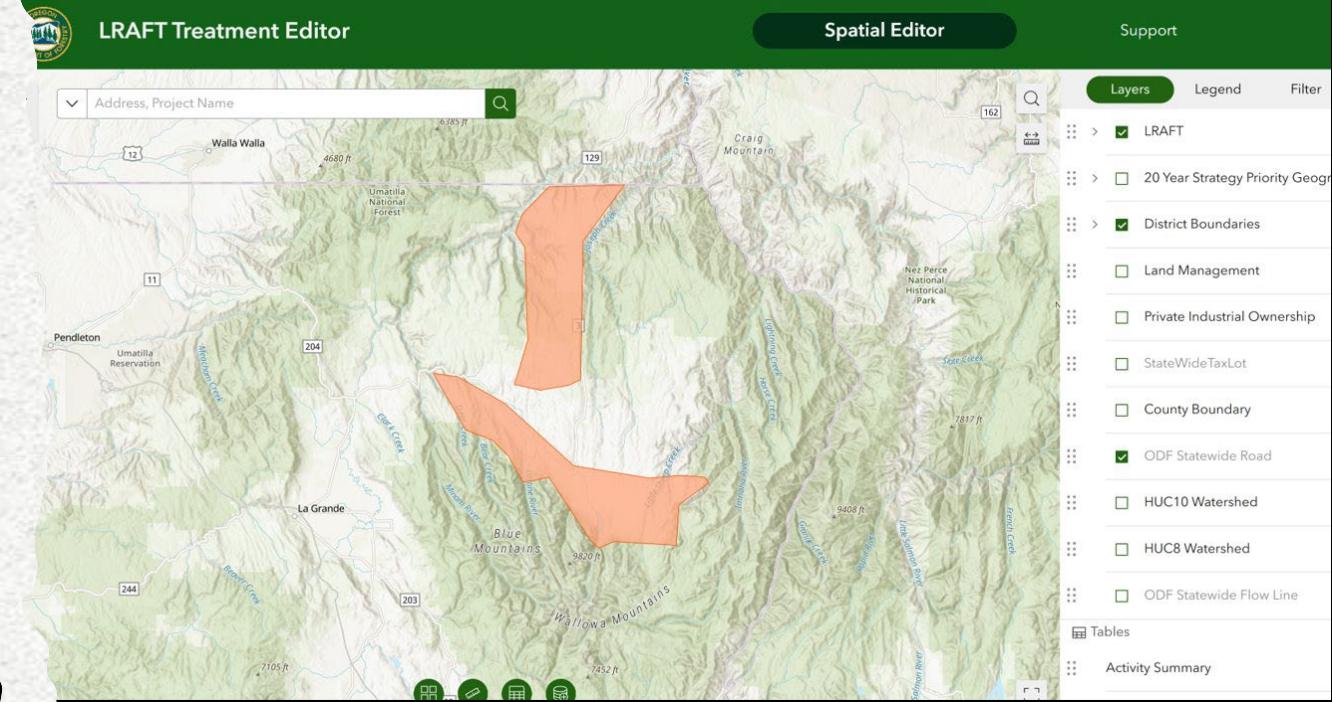

Training Team

2025 Internal Trainings

- Reforestation
- Stream Crossings
- Conversion from Forestland
- LRAFT (Landscape Resiliency Accomplishments and Financial Tracker)
- Vantage
- Policy Option Package (FERNS rebuild)

External Training

Working

Working with partner agencies and organizations to provide training to their members and customers

Participating

Participating with Partnership for Forestry Education to identify forestry educational needs and deliver training through workshops and outreach events

Developing

Developing an online video library with readily accessible information on FPA and FRD programs

Example Videos:

Small Forestland Owner Alternatives

Road Condition Assessment

<https://www.youtube.com/watch?v=gd92lp3r5mA>

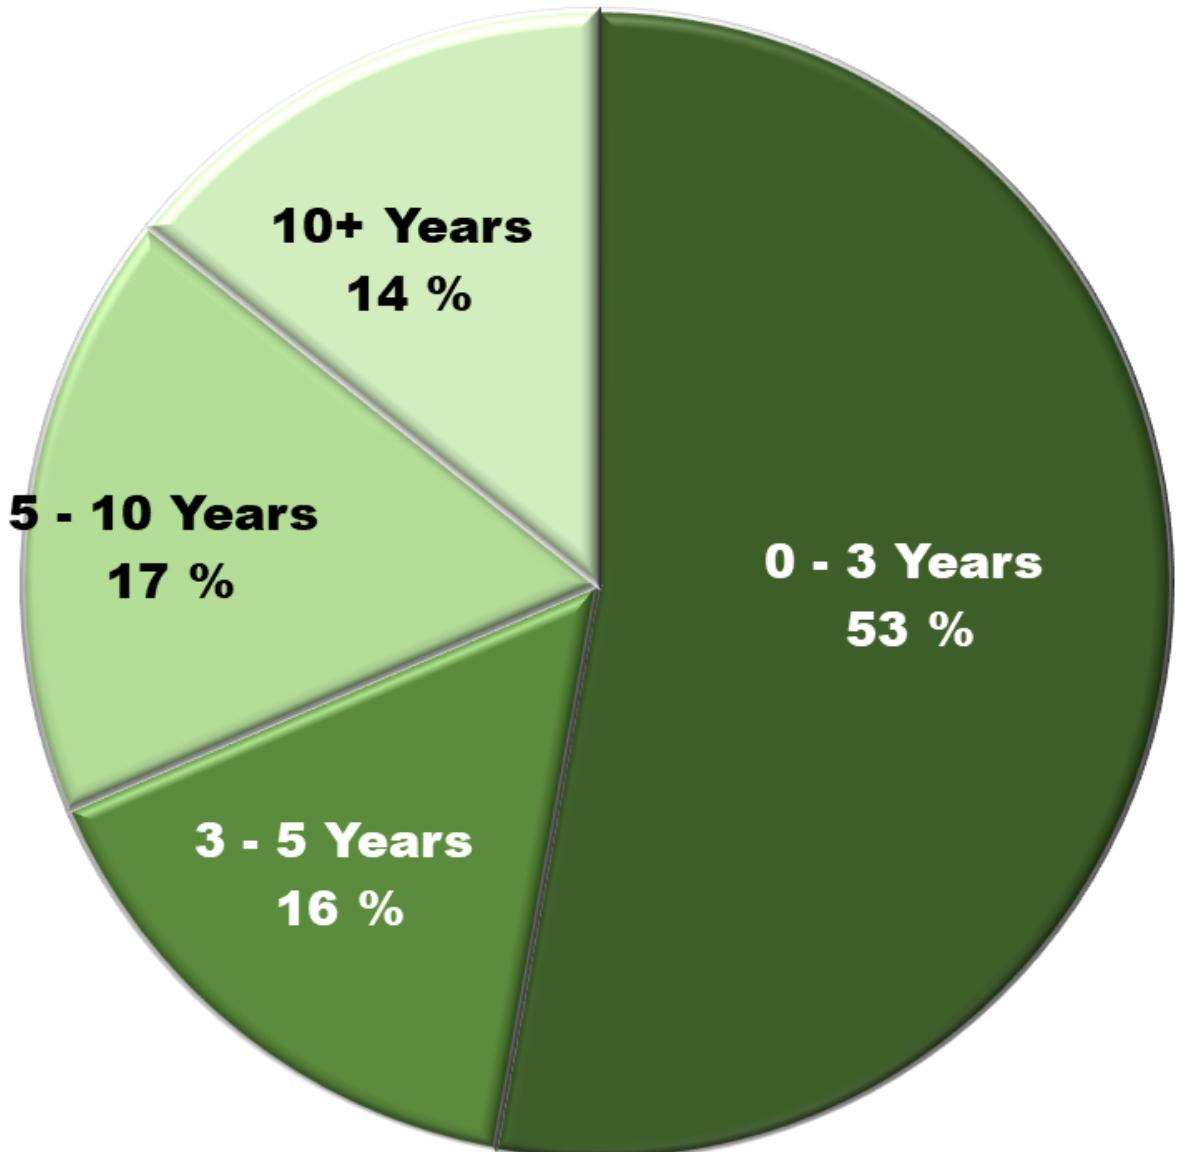

Current Field Forester Experience

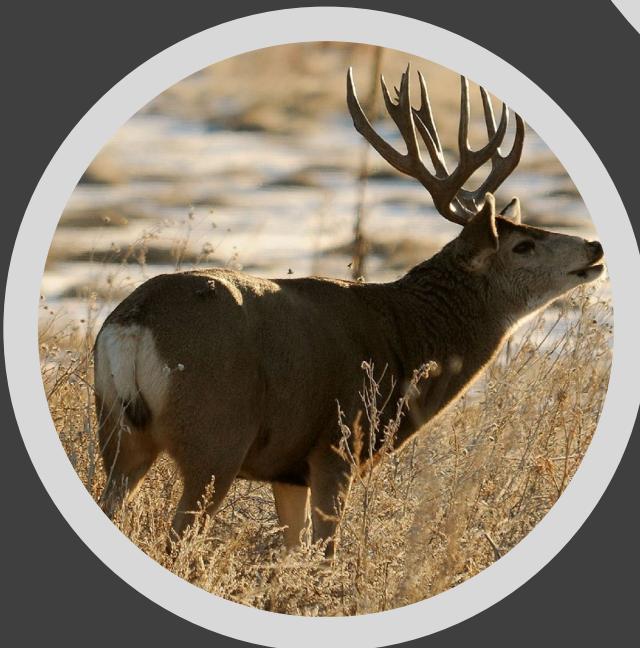

(as of Oct. 1, 2025)

Combined Stewardship / SFO Foresters Experience

Other training challenges....

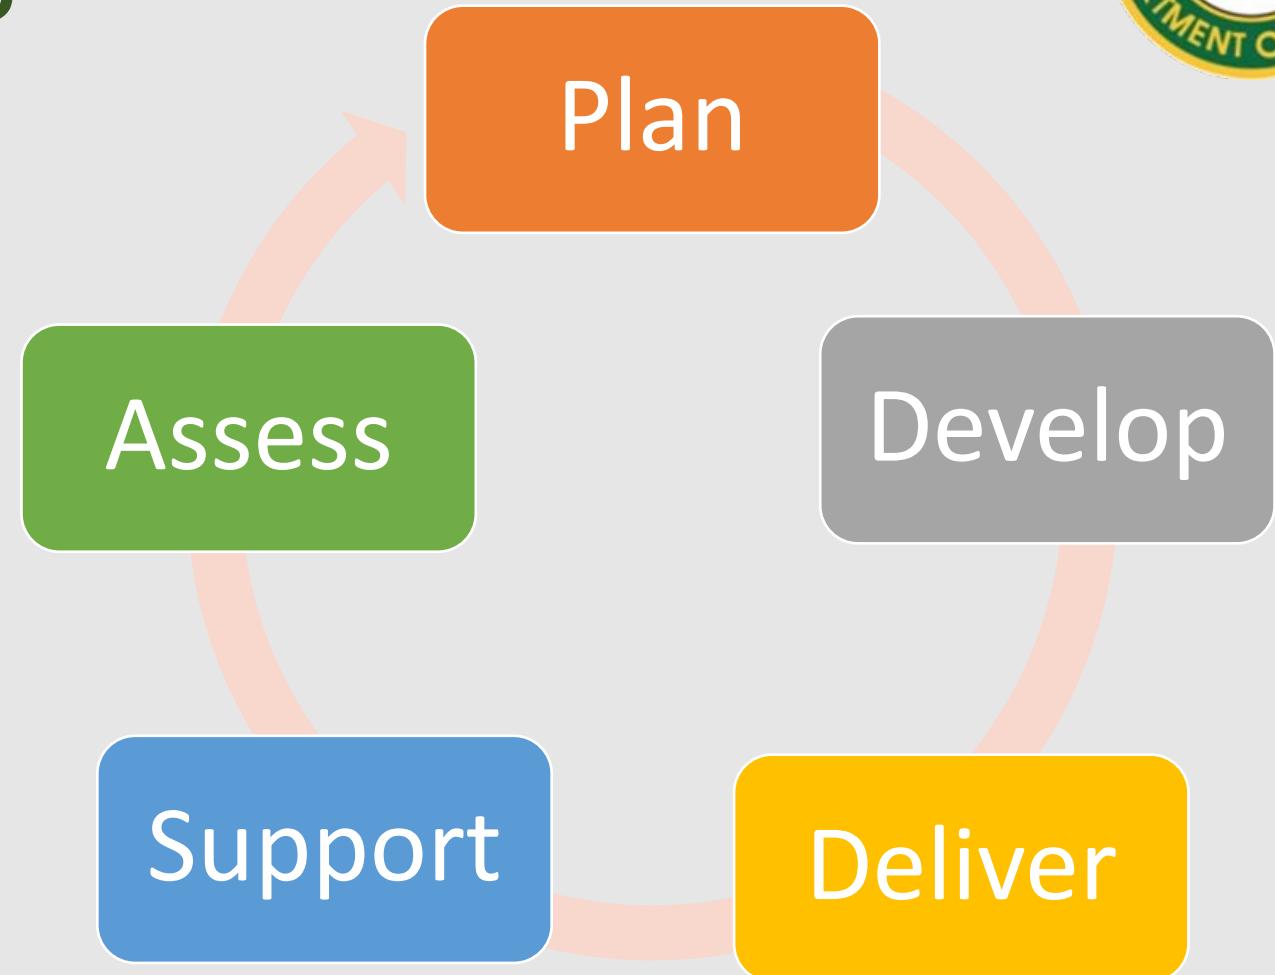

- Training Season:
- January – June
- November – December
- Great variations between West/East
- Cost-containment measures

Training Planning

- Enforcement Actions
- Compliance Monitoring
- Reviewing NOAPS
- Conversations
- Remain fluid and adaptable to deliver relevant and timely training opportunities
