Overview

- Requirement overview
- Public comment summary
- Action Item

Definition of Wildland-Urban Interface Requirement Review

- Significantly amends Oregon Revised Statutes (ORS) 477.015 to 477.064.
- **Directs the Board of Forestry to establish a definition of Wildland-Urban Interface (WUI).**
 - **The WUI definition must be adopted by rule within 100 days of the effective date of the bill.**
- Additionally, the rules must establish criteria to identify and classify the WUI.
