Oregon's 20-Year Landscape Resiliency Strategy

Board of Forestry June 08, 2023

Key Components of Shared Stewardship

Implementing the Strategy

- Invest in and Strengthen Agency and Regional Partnerships
- Focus Agency Resources in Priority Geographies
- Promote Local Landscape Assessments and Planning

Implementing the Strategy

- Expand Projects through Coordination
- Manage Capacity and Funding Needs at Local and Agency Levels
- Track Progress and Adjust Pace, Scale, and Approach as Needed to Achieve Goals

Near-Term Components for Implementation

- Governance & Engagement
 - Shared Stewardship Partner Summit
 - Fully Implement the Shared Stewardship Governance Structure
 - Support Regional Engagement and Partnership
- Science, Information, and Assessments
 - Scientific and Resource Assessment Network
 - Decision Support Information Hub
 - Accomplishment Tracking and Dashboard
 - Local Landscape Planning and Assessments

Near-Term Components for Implementation

- Communications & Awareness
 - Inter-Agency Communications Plan
 - Shared Stewardship Website

- Capacity Building
 - Tribal Staff Support
 - Underserved Communities Support
 - Regional Partnership and Collaborative Support

Thank you!

Oregon's Shared Stewardship Governance Structure

DRAFT

Strategic Leadership Group

Oregon Department of Forestry: State Forester
Oregon Department of Fish and Wildlife: Director
Oregon Watershed Enhancement Board: Director
U.S. Forest Service: Regional Forester
Natural Resource Conservation Service: State
Conservationist

Bureau of Land Management: State Director Bureau of Indian Affairs: Regional Director

Sovereign Nations

Government-to-Government engagement concerning Strategy implementation, funding and potential collaborative project opportunities.

Scientific & Resource Assessment

- Provide scientifically-based information to support decision making
- · Oversee decision-support tools and information hub

Communications

- Provide unified, multi-agency communications strategy with clear, concise and consistent messaging.
- · Collaborate on shared messaging and story telling.

Agency Coordination & Implementation Group

Oregon Department of Forestry
Oregon Department of Fish and Wildlife
Oregon Watershed Enhancement Board
United States Forest Service
Natural Resource Conservation Service
Bureau of Land Management

Interagency Tribal Liaisons

- Elevate Tribal voices, sovereignty and culture into decision making
- Establish and maintain effective relations and communications and promote greater awareness and mutual understanding of activities and concerns

Statewide Advisory Group

 Advise on implementation approaches, provide expertise, contribute to policy improvements, and help ensure efficient and effective investments.

Regional Engagement

- · Advance project planning and implementation
- · Identify regional needs, barriers, solutions, and priorities
- · Support regional education and outreach efforts
