

Agenda Item No.:	3
Topic:	Oregon State University College of Liberal Arts
Date of Presentation:	November 6, 2019
Contact Information:	Denise Lach, Professor, Sociology Program denise.lach@oregonstate.edu , (541) 737-5471 https://liberalarts.oregonstate.edu/spp/sociology

SUMMARY:

Oregon State University (OSU) Professor Denise Lach will present to the Board on the roles of normative science and values have in decision making, and explore alternative approaches to solve natural resource wicked problems. She will discuss approaches including those of “clumsy solutions”– that attempt to integrate multiple values, viewpoints, and experiences into policy solutions with the goal of making them more effective and acceptable to the widest array of constituents.

RECOMMENDATION:

Information only.
