Summary

Agenda item:	1. Respond to Amphibians questions from the IRST	Presenter:	Stacey Detwiler/ Seth Barnes
--------------	--	------------	------------------------------

Summary: The committee discussed modifying AMPC responses to the IRST clarifying questions on Amphibians research questions 1 & 2.

Decisions: The AMPC passed two motions:

1. The Adaptive Management Program Committee approves the modified Amphibians preliminary research question # 1, as edited during the October 27th, 2025, meeting to send to the IRST as soon as feasible.
2. The Adaptive Management Program Committee approves the modified response to the IRST questions on Amphibians preliminary research question # 2B, as edited during the October 27th, 2025, meeting to send to the IRST as soon as feasible.

The vote was 9 in favor, 0 opposed, and 1 absent for each of them.

This meeting was recorded, transcribed, and posted on the AMPC webpage [Oregon Department of Forestry : Adaptive Management Program Committee : Board & committees : State of Oregon](#)
